

MR. ROOSEVELT MEETS EMPEROR WILLIAM

Strange to Say There Were no Spectacular Features About it

KAISER MEETS AMERICAN WITH SOME ENTHUSIASM

And Entertained Him and His Family at Luncheon

Potsdam, May 10.—The much discussed meeting of Emperor William and Theodore Roosevelt took place today. The visit of the former president at the New Palace was devoid of any spectacular feature, inconsistent with the court mourning for King Edward.

WHEN KING GEORGE V. WAS IN CALGARY — Procession down Stephen Avenue, now Eighth Avenue.

Mr. Roosevelt, who arrived in Berlin this morning and spent the forenoon at the American Embassy, was escorted to Potsdam this afternoon by general Alfred Von Loewenfeld, the personal representative of the Emperor.

Mr. Roosevelt was accompanied here by Mrs. Roosevelt, Miss Roosevelt and Kermit; Ambassador and Mrs. Hill, Captain Samuel G. Sharpe, the military attaché, and Lieut.-Commander Bernard B. Bellknap, the naval attaché to the American Embassy.

At Potsdam the emperor and empress treated their guests with great cordiality, engaging them in prolonged conversation in the small dining-room with other members of the royal family before lunch. The emperor, after the other guests had gone, showed the Roosevelts through the Sans Souci palace himself.

Ex-President Has Throat Trouble The emperor has arranged for a sham battle for tomorrow, in which 12,000 men of all arms will take part. It is somewhat doubtful, however, if Mr. Roosevelt can attend, as he is observing the utmost care, so that he will be able to deliver his lecture from the university on Thursday. The throat specialist will examine his throat again tomorrow morning, and will then decide whether or not it will be advisable for the ex-president to visit the battlefield.

Without making any definite statement regarding the condition in which he found Colonel Roosevelt's throat, the physicians explained that laryngitis often followed a long residence in the tropics, and that, in the opinion of the hoarseness in this case was not due to the strain of speaking. He thinks Mr. Roosevelt should be entirely recovered within a week.

No word has yet come to Mr. Roosevelt regarding the possibility of his being named as special envoy to the funeral of the late King Edward.

Oldest Resident of Ontario Dead St. Thomas, Ont., May 11.—Perhaps the oldest resident of Western Ontario is dead at Tilsonburg in the person of Mrs. Margaret Mahoney at the age of 103 years. The old lady could boast the unusual distinction of having lived during the reign of six successive sovereigns.

Carriages Were Late A regrettable incident occurred on the arrival of the Roosevelt party at Berlin from Stockholm this morning, when the royal carriages, intended for their use, failed to reach the station in time, and Ambassador Hill was missing from among the officials who had gathered to meet the ex-president. This was due to a misunderstanding regarding the arrival of the special train. The Roosevelts drove to the United States embassy, and shortly afterwards Mr. Roosevelt kept an appointment with a throat specialist.

Had Given Up All Hope of Living. Heart Trouble Cured by Milburn's Heart and Nerve Pills. Mrs. Andrew Savoy, Grafton, N.B., writes:—"In the year 1908, I was taken sick and did not think I could live any length of time. My trouble was with my heart and people told me that nothing could be done for a case like mine. I consulted the very best doctors, but they could do me no good. For seven weeks I could hardly cross the floor. I had no pain, but was so weak nobody in the world can believe how I felt. I had given up all hope of living and had given my little girl to my sister-in-law.

One day a friend came to see me, and calling me by name, said, 'Lizzie, if I were you I would try a dose of Milburn's Heart and Nerve Pills as they are good for heart trouble.' My husband got me a box, but for two days I was not feeling any better, but on the fourth day my husband said, 'I believe those pills are doing you good. I was able to say, 'Yes, I feel a good deal better this morning.' He said, 'Well, I will get you another box right away.' I took two boxes and three doses out of the third one, and I was perfectly well and have not been sick since then.

"I will never be without them in my home for God knows if it had not been for Milburn's Heart and Nerve Pills, I would not have been alive now."

Senators Dooliver and Cummins Severely Criticize Action of President Taft

Des Moines, Iowa, May 11.—Ringing denunciations of the tariff bill and the men who passed it characterized the speeches made tonight by Senator Jonathan Dooliver and Albert Cummings in opening the progressive campaign in Iowa by 10,000 progressives. The meeting tonight followed district conferences throughout the day, which steps were taken to reconstruct the Cummins' organization, and to organize the state by counties and precincts. Even President Taft did not escape the accusations of the senators. Senator Aldrich was named as the leader of corporate greed and avarice.

Senator Dooliver referred to the president as the "Tinker leader of the Republican party," which meant, he said, "a man surrounded by people who know exactly what they want."

Both senators declared that if the Cummins' organization, and to organize the state by counties and precincts. Even President Taft did not escape the accusations of the senators. Senator Aldrich was named as the leader of corporate greed and avarice.

CROP CONDITIONS THROUGHOUT CANADA

Census and Statistics Report Gives Interesting Information in Regard to Crops.

Ottawa, May 11.—The census and statistics issued today show the condition of crops in Canada. The reports made at the end of April show that good progress was made with spring seeding in Ontario and the western provinces, but that in Quebec and the maritime provinces little more than a beginning had been made.

Ontario and Alberta are in the lead with spring wheat and oats, the former with 89.34 per cent of the spring wheat and 74.74 per cent of the oats in the

ground, and the latter with 97.50 of the wheat and 73.13 of oats.

Ontario also had 72.84 per cent of the barley seeded and Alberta only 38.17 per cent.

Manitoba and Saskatchewan had nearly equal, with Manitoba 90.46 per cent and the latter with 82.60 per cent. But both were slow with oats and barley.

British Columbia had a showing of 78.33 for spring wheat sown, of 81.66 for oats, and 39.17 for barley.

Ontario and Alberta are the only provinces with a substantial showing of fall wheat, and whilst in the first named the condition at the end of April was 85.67 per cent, in the second it was only 31.66 per cent.

Canada at the end of April compared with a standard being \$4.49 for horses; \$1.09 for milch cows; \$9.58 for other cattle; \$3.70 for sheep, and \$5.10 for swine.

What is the value of BOWVIEW EXTENSION? If you have any difficulty in solving this problem come and see us and we will give you a few pointers.

Some Problems We Have Already Solved

In October 1909 we sold acreage in Meadow Sub-division for \$160 per acre, today the price is over \$400. On April 2, 1910 we started selling Bowview acreage at \$100 per acre. In four weeks Bowview was sold out and the price is \$250.

Today and for the month of May only Bowview Extension can be bought for \$150 per acre, within three months the price will certainly be \$250 and probably \$400 per acre.
