QUEBEC WILL MAKE NO REAL TROUBLE OVER CONSCRIPTION

Such Is Information Which Mr. Alex. Ross Received From People in That Province

"There will be no serious outbreak or any real trouble in the enforcement of conscription in the province of Quebec," is the opinion of Alex. Ross, M.L.A., who returned yesterday from a visit to Montreal and Quebec. Mr. Ross was in attendance at the big labor convention in Octawa. He says that there is very strong opposition to the government throughou Quebec, but there is no possibility of osition to conscription. This was information which he received on

EVERYBODY NEEDS PURE, RICH BLOOD

Pure blood enables the stomach, liver Pure blood enables the stomach, liver and other digestive organs to do their work properly. Without it they are sluggish, there is loss of appetite, sometimes faintness, a deranged state of the intestines, and, in general, all the symptoms of dyspepsia. Pure blood is required by every organ of the body for the proper performance of its functions.

of its functions:

Hood's Sarsaparilla makes pure blood, and this is why it is so successful in the treatment of so many diseases and ailments. It acts directly on the blood, ridding it of scrofulous and other humors. It is a peculiar combination of blood-purifying, nervetoning, strength-giving substances. Get it today.

What's the reason? Well, just this. This buyer met a traveler about two weeks ago with a bundle of samples under his arm. It was beautiful silk, and so questions were asked that resulted in the information that the traveler could sell the originals at less than usual cost because he was closing out that particular line. In other words, the mills were disconinuing the patterns and grades. And so we offer-
