LABOR DAY FITTINGLY CELEBRATED BY THE ORGANIZED WORKMEN OF LONDON

Parade to Queen's Park in Which Many Trades Unions Participated and Made Splendid Showing --- Sports of Various Kinds Followed.

TOILERS AND THEIR FRIENDS TO THE NUMBER OF 5,000 AT THE GROUNDS

Ideal Weather Marked the Day and Nothing Was Wanting to Make the Demonstration a Success—The Committees Which Did So Much for the Occasion—Prizes Awarded Four Unions for Their Appearance in the Parade.

Labor Day—the day given over by one, both in point of numbers and apstatute to the demonstration and pearance. Of course, the unions with tralia (Norton & Walsh), Miss Canada pleasures of workingmen the Domin-luniforms, took best with the account (J. Kilborn), and Donnybrook (E. pleasures of workingmen the Dominion over—was yesterday favored with the greatest strength and the showiest uniforms, took best with the crowd, but along the line of march many complimentary remarks were passed by the spectators regarding all of the organizations.

The parade was led by the splendid band of the Seventh Regiment, under the leadership of Bandmaster Hiscott, and headed by Drum-Major Cockburn of the workingmen of London marched in procession to the music of two bands to Queen's Park, where an games was held.

The procession was not as large possibly as those of other years, but it was a very creditable one, nevertheless, and embraced representatives of nearly all the skilled and unskilled labor which finds employment in the many and varied manufactories of London. And those who were not in the many and varied manufactories of London. And those who were not in the local part of the procession.

The possibly as those of other years, but it was a very creditable one, nevertheless, and embraced representatives of nearly all the skilled and unskilled labor which finds employment in the many and varied manufactories of London. And those who were not in the local part of the procession.

The procession was not as large possibly as those of other years, but it was a very creditable one, nevertheless, and embraced representatives of nearly all the skilled and unskilled labor which finds employment in the many and varied manufactories of the many and varied manufactories of the many and varied manufactories of the many and those who were not in the local procession.

The procession was not as large possibly as those of other years, but it was ridden by the last of the organizations.

The procession the seventh Regiment, under the leadership of Bandmaster Hiscott, and headed by Drum-Major Cockburn. The came Barbers' Union, No.

See the providence was led by the splendid the organizations.

The procession to the music of the leadership of Bandmaster Hiscott, and the seventh Regiment, under the leadership of Ba

them as they passed along. There was scarcely any delay in starting the procession, Marshal George Grisman and Assistant Marshal Harry Clark placing the different unions in their correct positions without error, and the parade was got into motion without a hitch of any kind.

There was saw to the younger generation of builders. Each man wore a badge.

At this point in the parade a band of Highland pipers made things lively with the lilt o' the pipes. They were followed by the boilermakers, probablist of any kind.

Gray Pointer (George H. Flanigan, jun.), 4. Time, 1:20%, 1:18½. The judges in the horse races were Dr. Hugh Stevenson, Dr. Routledge, M. P. P., and T. Gillean. Mr. Gillean was starter and had to exercise his lungs in the absence of a megaphone.

Messrs. Sutton. Floyd and Conn had

work, too, and the lengthy programme was carried out in a satisfactory manner. The waits were few, and these were enlivened by the rendering of popular airs by the Seventh and the Twenty-sixth Regiment bands, both of which organizations greatly pleased the large crowds along the line of march and at the park.

Outside of the inclosure were fully as the strong all in a uniform of white overalls. All along the line of the procession the crowds showered praises upon the painters and decorators for their neat appearance. The Journeymen the Brewery Workers. Tailors' Union, the Brewery Workers. Union, the Industrial Union, and the Theatrical Employes' Flowd.

Control of the inclosure were fully and the Theatrical Employes' Flowd.

Choose the winners according to the turn in which they came in. Mrs. Font, of Pottersburg. took first prize: Mrs. Cowherd second and Mrs. Mabel Peters third. There were four entries and all were good runners.

The fat man's race was run a second post at the first attempt. The winners were E. W. Rau, W. F. Bullen and F. Canterbury and Mr. J. Pierpont Morgan spent a busy morning vestorday.

amuse themselves in the many games which were conducted on the grounds, and the little ones were delighted patrons of the old but always new merry-go-dound.

Late in the afternoon the committee awarded the prizes to the various unions, which in their opinion made the Teamsters' Union, the railway emusically weak.

London, such a union is bound to be numerically weak.

As usual, the printers made a splendid showing, having between 50 and 60 men in line. Several of them were old-timers, who have been members of No. 133 for many years. Next to these was unions, which in their opinion made the Teamsters' Union, the railway emusically weak.

As usual, the printers made a splendid third.

The barrel race, which followed, gave there was a technical point raised, and for a time it was the cause of some annoyance. S. Delaney came in first. The second man, N. Rogers, a colored the results of the conditions and the little ones were delighted patrons of the old but always new mem in line. Several of them were old-there was a technical point raised, and for a time it was the cause of some annoyance. S. Delaney came in first. The second man, N. Rogers, a colored the results of the resul

committees yesterday worked hard to make the big demonwhich filled the stands and grounds. From a financial standpoint, the demonstration was a great success and it is understood that the local Trades and Labor Council will be quite a sum From a financial standpoint, the demand Labor Council will be quite a sum ed greatly to the appearance of the committee which had the demonstration in charge are to be thanked, for Sports at Queen's Park they certainly were unselfish and generous in their labors to help the work

many and varied manufactories of came next, and the appearance of the London. And those who were not in the parade were on the sidewalks to form, composed of white shirts and the parade was given as 1:11½ and 1:09¾. the parade were on the sidewalks to view the procession.

All along the line of march the crowds stood for over an hour in the sun and patiently awaited the arrival of the representatives of union labor, and to cheer those familiar to them as they passed along. There was scarcely any delay in starting the pro-

The long march was also made in makers, electrical workers and gar-charge of the other races. The first The long march was also made in good time, and at Queen's Park the different unions entered the race track and marched past the grand stand, where each was accorded an ovation by several thousand persons in the stands and probably as many more who were lined up along the fence on either side. Here the men left the procession and were free to pass the day as they chose. The committee speedily got to work, too, and the lengthy programmer was carried out in a satisfactory man-

narch and at the park.

Outside of the inclosure were fully Union, and the Theatrical Employes' Floyd.

The Theatrical Employes' Floyd. Outside of the inclosure were fully as many people as occupied the stands, making up a crowd of somewhere in the neighborhood of 5,000 or 6,000 persons. These latter found plenty to amuse themselves in the many games which were conducted on the grounds.

Union of America followed in the order named. With the exception of the latter than the term that the turnout was large, but the theat atrical workers only mustered eight or nine men. Of course, in a place like London, such a union is bound to be which were conducted on the grounds.

Union of America followed in the order named. With the exception of the latter than the turnout was large, but the theat arical workers only mustered eight or nine men. Of course, in a place like London, such a union is bound to be numerically weak.

awarded the prizes to the various unions, which in their opinion made the best showing in the parade. The Stove Mounters were awarded first, Metal Polishers, Platers and Buffers second, the Painters third, and the Barbers fourth. There could, of course, be no dissatisfaction with the awards and the indicate the various second last, and last but not least came the cigarmakcourse, be no dissatisfaction with the last but not least came the cigarmak-awards, and the judges' decision met ers. As has been the rule since Labor Day parades were first known in Longeneral approval.

Some reason or other the Builddon, the cigarmakers' turnout was the prize.

Second and Wm. Aldredge tmrd. Rogers, however, was later given a special prize. ers' Laborers Union did not walk in largest in the procession, there being the procession. This union the procession of the procession. This union is a very somewhere over 125 men in line, and, strong one, numerically, and it has of course, such a large body completely ing 2.
