### SAVE WHILE YOU EARN

Don't forget that each day brings you nearer to the time when your talents will no longer serve you as a money-earner. Save while you earn-prepare for the future. Even the money of millionaires has to work for them -indeed, if they had not early put it to they probably would not have been millionaires at all In any case, your money should be working for you, and you may begin a savings account here with as small a sum as you please. It will earn 31/2 per cent interest. It will work for you.
