The steamer Mende leaves this afternoon for the Bear river mines, and will carry thence a number of passengers and a quantity of freight. Among those who will go are a number of experienced properties and a thorongh investigation of the district will be given. It is hoped that the good reports which have been received from that point will be righly confirmed.

The semi-annual examinations of the public schools of the city will be held as follows: Girls school, Wednysday, 15th, boys school, Thursday, 16th, high school, Friday, 17th. The examination of the ward schools will be held in the forenoon of each of these days in the following order. Johnson street ward, James Bayward, Rock Bayward. A very cordial invitation to be present is extended by the teachers to the public.
