**"Expected to Die"**  
Biliousness, Dizziness, Vertigo, and Pain in the Back.

One's Life is in the Careful Powers of Dr. Hamilton's Pills.

Lack of exercise and overwork were the causes that combined to almost kill Samuel S. Stephenson, Jr., one of the best-known and most influential citizens of Bathurst.

Mr. Stephenson says: "A year ago I returned home after a long trip, completely worn out. I was so badly affected by chronic biliousness, so much overcome by constant headaches, dizziness, that I despaired of ever getting well. I was always tired and languid, had no energy and spirit, found it difficult to sleep for more than five hours. My appetite was so bad that I ate next to nothing and in consequence lost weight and strength. I was pale and had dark rings under my eyes that made me look like a shadow."

"I read a clipping that I used Dr. Hamilton's Pills. In one week I felt like a new man. The feeling of weight and nausea in my stomach disappeared. My eyes looked brighter, color grew back, and, best of all, I began to enjoy my meals. The dizziness, languor, and feeling of depression passed away, and I had regained my old-time vigor and spirits. Today I am well—thanks to Dr. Hamilton's Pills."

The regular use of Dr. Hamilton's Pills keeps the system clear, healthy, and thereby prevents all manner of ailments. 25 cents per box, or five boxes for \$1.25, by mail from the Catechism Company, Kingston, Ont.

**LUMBER OPERATIONS WILL BE GREATLY CURTAILED.**

FREDERICTON, N. B., Oct. 19.—Reports are to the effect that the coming season is a very encouraging one for lumber operations in this province and the prospects are that the cut will be greatly curtailed. The Scott Lumber Company will not carry an operation this season, and the several mills of that company will cease. Mr. James Scott, it is understood, has accepted a position with the Smith Company at Oranmore, while Mr. Chas. Scott has made arrangements to work for a Lewiston Company. Mr. Estey of this city will operate for Miller & Co., St. John, this coming season.
