Sinks Nine Steamers.—No Loss of Life So Far.—Blockade of New York

Boston, Oct. 8.—The submarine arm of the German navy ravaged shipping off the eastern coast of the United States today. Four British, one Dutch, and one Norwegian steamer were sent to the bottom or left crippled off Nantucket Shoals. Tonight, under light of the hunter's moon, the destroyer fleet of the United States Atlantic fleet was picking up passengers and crews of the destroyed vessels and bringing them into Newport, R. I. So far as known there was no loss of life, though at a late hour the crew of the British steamer Kingston had not been accounted for.

HELD UP U. S. STEAMER.
 A submarine held up the American steamer Kanan, from New York for Genoa, with steel for the Italian Government, but later on establishing her identity allowed the American to proceed. The Kanan came into Boston harbor late tonight for her usual call here. The hostile submarine is believed to be the U-51, which paid a call to Newport and disappeared at sunset. Some naval men, however, declared that at least two submarines are operating close to the American shore, though outside the three mile limit.

THE DAVE'S RECORD
 The record of sub 1, no warning, as brought to land by wireless despatches, follows:
 The steamer Stratheden, British freighter, torpedoed and sunk off Nantucket. Crew taken aboard Nantucket Shoal Lightship, and later removed to Newport by torpedo boat destroyers. The vessel left New York yesterday for Bordeaux, and was attacked at 6 a. m.

The West Point, British freighter, torpedoed and sunk off Nantucket. Crew abandoned the ship in small boats, after a warning shot from the submarine's gun. Information at Nantucket was that two and possibly three submarines had been sighted. His information was all from Nantucket and confirms to reports given out there as to messages picked up from wireless flashes.

THREE SUBMARINES AT WORK
 Persistent reports are also in circulation that more than one submarine is surely taking part in the attacks. One report declared there are two—the U-53, which put in at Newport on Saturday, and the U-54. Another report mentions the U-61. There is no way of establishing definitely how many submarines are on the scene.

All passengers on the steamers which were sunk have been taken off Nantucket Lightship and have each been landed or are en route to Newport, aboard U. S. destroyers. Passengers from the Stratheden, West Point, Stephano, Kingdon, Bloomers dijk and Christian Knudson were taken off during yesterday afternoon and late last night.

The New Brunswick Telephone Co. has purchased the Andrew estate the valuable corner lot on Andrew and Rossberry streets, opposite the Baptist church and it is said will shortly erect a handsome brick office building thereon, to house their local exchange. "North of Neuville-St Vaast the enemy blew a camouflet early this morning without inflicting casualties. A successful minor enterprise was made by our troops against the enemy's trenches south of Bullock."

RESTIGOUCHE LEADS IN MEN FOR KILTIES

In Two Weeks This County Has Supplied 44 Soldiers for the 236th Battalion

The first two weeks of the recruiting campaign for the New Brunswick Kilties closed Monday night and in that space of time over 250 men have enlisted. The County of Restigouche leads with 44, Northumberland follows with 40, Westmorland 35, St. John 25, York 21, Carleton 20, while the balances were obtained from other sections of the province. This shows that three of the platoons have been more than half recruited in the fortnight.

Any of the Scottish friends outside of town, wishing to subscribe a dollar only, can send same to either of the above mentioned members of that Society.

 Capt. and Mrs. Squarebriggs have been given notice to farewell from the local S. A. Corps, and will go to Woodstock. During their residence here Capt. and Mrs. Squarebriggs have made many friends who will regret that they are to leave so soon.

A statement was proceeding home after his labor, when he was accosted by a recruiting sergeant, who asked him: "Wouldn't you like to serve your King? It would be the making of you." "Sure," declared the expectant milk-carrier. "How much does he take each day?"

DURHAM WRITER DISLIKES TRUTH
 Durham, N. B., Oct. 5th, 1916.
 Editor Tribune.—
 Re Chandler letter in Graphic of 5th inst. We all know that there is no one in Chandler, P. Q., who takes any interest in our matters in Durham, and we also know from whom this dirty communication came. It comes from the fellow who had to flee from Chandler. The Graphic paper is getting as dirty as the Progress which was published by E. S. Carter. Why should the dirty Graphic sheet interfere with people who are not and do not want to be interfering? Does the Graphic want another suit?

DURHAM
 Mr. Culligan or his friends in Durham do not care for the truth, but it will be handed out to them in substance doses by the Graphic from time to time. The letter signed Chandler came from a gentleman at Chandler who is much interested in Restigouche politics and knows Mr. Culligan for what he is, a politician who as the Chatham World says belongs to the small potato class.
