UNIVERSITY CONVOCATION.
Scholarships Candidates—Graduates in Favor of Raising Fees.
Convocation of the University of Toronto (composed of graduates) met last night in the Canadian institute, Chancellor Boyd in the chair. A considerable number over the quorum of 30 was present. The report confined itself to the recent report presented to the senate on the financial outlook. That report showed that in order to carry out certain desired improvements more money was wanted; how this money should be raised was discussed last night. The opinion of the meeting was finally arrived at, and that amendments, should be raised, and that the scholarship system, and that the amount should be reduced and gradually abolished, leaving it for private benefactors to supply their place. Such men as High School Inspector Marting, and Principal Buchan, C. W. R. Biggar, W. H. Vandenberg, and others expressed themselves in favor of the scholarship system. Mr. Richards was especially strong in the view that scholarships were a hindrance to the college rather than a benefit. He also said that his loyalty to the university—what they were to build up a leading institution for the profession of which would be the examiners for degrees, rather than establish a provincial examining board. This opinion was well received by the majority. The regulation committee reported in favor of certain amendments that were to be asked from the legislature. STUDENTS AND SCHOLARSHIPS.
The students themselves are to hold a mass meeting on Saturday night to discuss the scholarship question and it is more than likely that the present system will be condemned by them.

The sisters of St. Joseph complained of the increase in the water rate for the last month from \$60 to \$150. The chairman said he would send the inspector up the content to see if there was not a waste of water, there being a meter in the building.

Ald. Davies said that a deputation of his constituents had asked for the extension of the water main along Carlaw avenue. Referred to the manager to report on.
It was decided to order a quantity of supplies, consisting of lead pipe, brass, etc. also several articles for the waterworks wharf, engine rooms, etc.
Mr. Maughan called for a return of the number of water-takers outside the city limits. He thought it was a gratifying fact that the water-takers live outside the city to the extent of 1000.
The secretary stated that the number was only 1000.
Ald. Maughan called the attention of the committee to the necessity of placing more hydrants at the railway railway station. He said that in case of fire much loss would be sustained by the Northern railway company.
Ald. Stewart proposed to placing the hydrants there until the company took some steps towards protecting its own property.
Ald. Evans said that in case the building were destroyed a large number of people would be thrown out of employment. On that account he was willing to increase the number of hydrants.
After transacting some routine business the meeting adjourned.
