YOUNG JOHNNY had been reading the evening paper, and paused contemplatively for a few moments. "Father," said he, "What is inertia?" "Well," replied the father. "It is a pure, cussed, dog-gone laziness, but if your mother has it, it is nervous prostration and a general break-down of the system."

A NEWSPAPER man could go seven days in a week, seven times a day and ask different persons for the news, and each time to be told there is absolutely nothing going on in their locality. When these people get the paper they sometimes say:—"There's not much this week," and then recall an item or two and wonder why they were omitted. When you know anything of importance that has occurred tell us every time. That is what we are in the business for, to publish the news.

"ALL this talk about food going to waste in this country makes one think people had better be taking as much interest in the milk supply as they are in the fish just now," said the woman from the county. "As for the price of butter, don't you think it's a very suspicious thing that ever since people have taken to eating ice cream every time they turned around, butter has been soaring? What I say is, you can't have butter on your bread and in an ice cream cone, too!"

THE 22nd anniversary of the Watford Baptist Church, held last Sunday and Monday, was a decided success. The congregations which assembled at the Sunday services were large and appreciative. Inspiring sermons were delivered by Rev. A. C. Tiffin, pastor of the Watford Methodist Church, in the morning, and by Rev. Capt. H. C. Newcombe, B.A., pastor of the Simcoe Baptist Church, in the afternoon and evening. The concert in the Lyceum was of a very high order being religious and patriotic in tone. Greeting from many of the other churches were expressed through their respective pastors. Miss Hazel M. Lennan, Petrolia, stirred the hearts of all by her realistic patriotic selections. Her rendering of "The Canadian" brought tears to many eyes. Rev. Capt. Newcombe gave a full and glowing account of the life of the Canadian soldier in camp. His address covered the whole range of the soldier's career from the day of enlistment through the long and weary days of training until he reaches the active service in the front line. He spoke at length of the provision made for the religious development of the boys and the response which it received from them. His address was humorous, pathetic and of intense fervor and was received with much appreciation. The musical part of the services was amply and ably provided for by a picked choir and soloists of local talent, assisted by Miss C. Butler, Simcoe, who rendered in good voice several solos. The impression received from these several services will long remain with us, as we courageously face the duties and privileges of another year of service.

The East Lambton Fair

In less than two weeks the annual fair of the East Lambton Agricultural Society will be held at Watford, and the directors are endeavoring to eclipse all previous efforts this year. The prize list proper is a very liberal one, and a large number of special prizes are also offered. They will be found well ahead in comparison with other fairs in the district.

The event promises to be a splendid exposition and to do credit to the varied interests of the section of country which it represents. It is up to the farmers of the surrounding townships to see that each department in this popular exhibition is filled and filled early. Especially let there be good representative entries in live stock such as the district is capable of producing. The efforts of the executive of the Fair Association are being exerted to the utmost to make the fair this year a success in every line, and the hearty co-operation of the farmers and all patrons of the institution is earnestly asked for and urgently needed to do justice to the agricultural interests of the territory and make it a good advertisement of our rich natural capabilities.

Over \$2000 in prizes for live stock, grains, roots, and other agricultural products will be offered and some special features are being arranged. On Wednesday, Oct. 3rd, there will be a 2.50 race with a purse of \$100, and a military race which will prove very exciting; also a baby show, patriotic drills, and a number of other platform specialties that will prove very interesting. The Piper's Band will furnish the music. Don't fail to attend the Watford Fair. It promises to be better than ever.
