If there are dull aches in the back, or sharp shooting pains through the hips—you have Kidney Disease.

If you are uneasy at night, and sleep is broken and fitful—you have Kidney Disease.

If the stomach is upset, tongue coated with white fur, and no appetite—you have Kidney Disease.

If there are headaches, that eyeglasses and "headache powders" fail to relieve—you have Kidney Disease.

If the hands, feet or ankles are puffy or swollen—you certainly have Kidney Disease.

Know yourself. If you have any of these signs of senious kidney trouble, cure yourself. Take "Fruit-a-tives." These tablets—a wonderful combination of fruit juices and antiseptics—instantly relieve congestion of the kidneys, take away the strain of overwork, regulate the bowels, strengthen the liver, tone up stomach and digestion, and put the whole system in its strongest, best condition.
