Locked-  
Wire  
Fence  
Company**  
**INGERSOLL,  
ONT.**

The accompanying cut represents five panels of fence and gate of the **LOCKED-WIRE FENCE**, which is now built with improved corrugated hardened steel stay, and Bessemer steel clamp, a combination which is proof against the most wiry stock or designing men. The crimp in the wire, in combination with steel clamp, when locked acts as a spring, adjusting the fence to heat or cold.

**Perfectly Safe.  
Stronger,  
Better,  
and Cheaper**

than any other fence, and without doubt the best fence on the American continent.

All persons having wire fences erected in the past should use the stays and steel clamps of the Locked Wire Fence Co. on them. The crimp consumes all the slack, makes the fence tight, and adds over 100 per cent to its value, at a very small cost.

We desire to inform the farmers and public generally that we are prepared to supply the material or erect this fence throughout the Dominion of Canada.

Recollect, we are the only firm that is furnishing the genuine material in the form of the corrugated hardened steel stay and Bessemer steel clamp.

**Freeman's High-Grade  
Bone Fertilizers**

They produce large crops of wheat of superior quality.

Try our Fertilizer for Fall Wheat, which is especially manufactured for that class of crop. TERMS EASY PRICES LOW.

"Having used your Sure-Growth Fertilizer for the past three seasons, it is with pleasure I recommend its use to others. I commenced with one ton the first season and two years ago purchased from you two tons and last season two and one half tons. Always used it on fall wheat at the rate of about two hundred pounds per acre, and am fully convinced I had at least one-third larger yield and finer sample than where no fertilizer was used."

Thanking you for your prompt delivery, I remain,

**THE FARMERS' BINDER TWINE CO.  
BRANTFORD, ONT.**

Don't confuse this company with any other. This is the Farmers' Company, Mr. Joseph Stratford president. We have named a price at 2 1/2 cents for our "Red Star" and 6 1/2 cents for "Blue Star" Binder Twine, freight prepaid. So don't be humbugged with unknown brands of sisal or old American twine. Even our "Blue Star" is principally manilla, and of a quality that will stand comparison and test with twines quoted at a very much higher figure. Also bear in mind that this company was instrumental in reducing the price of twine, and holding it at about cost for three years. Give us your undivided patronage if you want us to remain in competition.
