

Committee feel warranted in urging upon this High Court, the absolute necessity of some provision whereby proposed amendments intended for discussion at the sitting of the High Court should be made known before the meeting at which it is proposed to introduce them, as in the limited time at the disposal of the Committee it is impossible to properly and sufficiently consider all matters submitted to them, and they would recommend the passage of a By-Law at this Session, requiring that all propositions to amend the Constitution or Laws should be published in THE FORESTER not later than the number for June next, preceding the meeting of the High Court at which it is intended to introduce them.

(1) "To amend section 15 by striking out the first line and inserting the words 'the members of the Executive Council.'" Your Committee do not recommend this proposition as the members of the Executive Council do not all have the handling of funds of the Order, whilst those who do are always under heavy and satisfactory bonds.

(2) This is disposed of by the first.

(3) Not recommended.

(4) "To strike out subsection 3 of section 34." Not recommended. Your Committee, however, would direct the attention of the Supreme Court to the fact that words have been omitted by the printer. To amend subsection 4 by inserting certain words. Not recommended, as the word "payment" there used is wider in its significance than the proposed additional words.

(5) To strike out subsection 6 of section 43. Not recommended.

(6) To strike out subsection 3 of section 44. Not recommended.

(7) To add a fourth subsection to section 65. Not recommended.

(8) To amend subsection 1 of section 73. Not recommended.

(9) To amend subsection 2 of section 79. Not recommended.

(10) To strike out subsection 5 of section 80. Not recommended.

(11) To strike out subsection 2 of section 142. There is no such subsection.

(12) Several amendments to section 187. Not recommended.

(13) To strike out section 220. Not recommended.

(14) To strike out section 233. Not recommended.

(15) To amend section 248. Not recommended.

All of which is submitted in L., B. and C.

E. BOTTERELL.
