THE GENUINE

### Silver-Steel, Lance-Tooth Cross-Cut Saw!

It stands without a rival, and is the st cutting saw in the world. It has beaten he best Canadian and American-made

est cutting saw in the world. It has beaten the best Canadian and American-made saws 33½ per cent. In every contest. Its superiority consists of its excellent temper. It is tempered under the Secret Chemical Process, which toughens and refines the steel. It gives a finer and keener cutting edge, and will hold it twice as long as any other process. We have the sole right for this process for the Dominion of Canada.

None genume that are not like the above out, with registered trade mark with the word "Inc Lance, and Maple Leaf with our name. Prices \$1 per foot.

CAUTION.— Howare of Counterfeits. There are inferior counterfeits on the market, which are intended to be said at a high price upon the reputation of this saw. We will send to any address a saw exactly like any counterfeit, warranted equal in quality or no sale, at 6th, per foot. Therefore do not be humbugged into paying a first class price for a see neither as saw. A fast to bear in mind is that if the material and temper are not of the very best quality the shape of the in mind is that if the material and temper are not of the very best quality the shape of the teeth amounts to nothing. A saw, like a kinfe, will not cut fast without it will hold a keen, cutting edge. We have cut off a 14-inch sound basswood log in eight seconds with this saw.
