In soliciting the patronage of the city and country trade, we would state that for a number of years we have paid special attention to the selection of Teas, and for the last two years we have not had a single complaint respecting the quality sent to any of our customers during that time. Our rule is to sell our goods at the lowest remunerative profits, to those who are in the habit of being prompt with their payments. To country merchants we would state, that owing to our being situated in one of the best thoroughfares of the city for the sale of Provisions, and having a large city trade, we are enabled to work off choice lots of Butter to advantage, as well as all other kinds of country Produce. An examination of our stock and prices solicited.
