

# Farm Boys

## What Are Your Plans For The Future?

Do you intend to run your own farm; to use better methods than the average farmer; to raise better crops and better stock; to keep your farm in better condition; **To Make the Farm Pay?** Unless you do, what satisfaction is there in farming? **Now** is the time to lay the **Foundation** of your life's work; to learn something of soils; fertilizers; drainage; plant and animal diseases; insect pests; varieties of grains, roots and fruits; breeds and types of animals; marketing of farm produce; methods of cultivation; carpentry; blacksmithing, etc. Get an insight into the innumerable problems that every farmer has to face and should know about.

???? HOW ???? ?

By Taking the Two-Years Course at

**The Ontario Agricultural College**

GUELPH - ONTARIO

This course is designed to meet the requirements of our country boys.

YOU can come to College for two years

BECAUSE Ordinary Public School education is sufficient for admission to the course.

The College year begins September 19th, and ends April 15th, so that boys from the farm may return to their homes to assist in the spring and summer work. During this period many boys can earn sufficient funds to defray College expenses for the following year.

Tuition fee for Ontario students is only \$20.00 per year, while board and room in residence is obtained at the rate of \$3.50 per week.

A portion of the cost during the first year is defrayed by work on the farm and the various departments of the College.

N.B.—If you wish to continue to the work of the Third and Fourth Years for the degree of B. S. A., you are not required to have matriculation standing. Students are accepted for this course if their standing on Second Year examinations warrants it.

COLLEGE OPENS SEPTEMBER 18TH, 1914.

For further particulars write for regular course calendar.

G. C. CREELMAN, B.S.A., LL.D., President.
