A NICE DESSERT.—A wholesome dish for dessert is made by soaking half a pint of tapioca all night in a little more than half a pint of cold water. Put a thick layer of canned peaches in the bottom of a pudding dish, leaving out the syrup; sprinkle sugar over the peaches, and then put into the oven to become hot; ald half a pint of the peach syrup to the tapioca, half a teacupiul of sugar, and as much water as is needed to thin the tapioca; let this boil until it is perfectly clear, then pour over the peaches and bake for half an hour. Be sure it is boiling, and don't beat after the flour is added.

A STRANGE DISEASE.—There is scarcely a symptom belonging to chronic complaints but that is common at the poor dyspeptic, and he often feels as the hard every disease in the catalogue. Burnock thood Bitters cures the worst form of Chronic Dyspepsia.

HOTCHPOTCH.—Take two pounds to four pounds of the neck and scrag of mutton, remove the fat, and cut in fair-sized pieces. Add two ounces of pearl barley (washed) and some salt. Place this in about three quarts of cold water, and let it simmer. The principal ingredients in hotchpotch differing from mutton broth are green peas and any other vegetables you have. Old peas require longer cooking, and must be added to the soup accordingly. Carrots cut up, turnips, onions, parsley, and some cablage should be added. Let all gently simmer for three hours, and not strain or remove any of the contents.
