## Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are sometimes a little sceptical when distance of some remote planet is given, but after in the least doubt when JOLLIFFE & CO., of 467-471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

"HAVE you ever made anything out of politics?" asked a citizen of a defeated candidate after election. "Yes," was the sour reply; "made a fool of myself."

A CERTAIN witty bishop was recently asked about a sermon to which he had listened, whether he thought it High or Low. He replied that he did not know about that, but there could be no doubt that it was long.

CURE FOR COUP.—Prompt relief to prevent suffocation from the accumulation of tough mucus—the formation of the false membrane—and the constriction of the air passage, is necessary in case of a sudden attack of ~~croup~~ <sup>Hayward's</sup> Yellow Oil should be used at once, afterwards Hayward's Pectoral Balsam.

AN Irish magistrate asked a prisoner if he was married. "No," replied the man. "Then," said his worship, amid peals of laughter, "it's a good thing for your wife."

FOR weak lungs, spitting of blood, shortness of breath, consumption, night sweats and all lingering coughs, Dr. Pierce's "Golden Medical Discovery" is a sovereign remedy. Superior to cod liver oil. By druggists.

SEXTON (to group of travellers): This, gentlemen, is the highest church steeple in the country. It contains three bells; the largest is rung only on the arrival of the bishops, in cases of fire and floods and other threatened calamities.

In Headache and Mental Depression.

Dr. N. S. READ, Chancellersville, Ill. says: "I think it is a remedy of the highest value in mental and nervous exhaustion, attended with sick headache, dyspepsia, diminished vitality, etc."

SIMPSON: Well, Muggins, how's business? Muggins (our artist): Oh, ripping! Got a commission this morning from a clergyman. Wants his children painted very badly. Simpson (with that pleasant way of his): Well, my boy, you're the very man for the job. They don't speak now.

## CATARRH, CATARRHAL DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes.
