ALWAYS ON HAND.—Mr. Thomas H. Porter, Lower Canada, N.B., writes: "My son, 18 months old, was afflicted with bad colic, but nothing gave him relief until a neighbor brought me some of Dr. Williams' Pink Pills for Pale People, which I gave him, and in six hours he was cured. It is the best medicine I ever used, and I would not be without a bottle of it in my house."

From summer to winter is only a step, but it's a pretty long one.

Now, have you got the right clothing to make the step carefully and safely? It's a trying step for many people.

The right clothing is better than a cough mixture and cheaper to buy than to pay doctors' bills.

Our boys' reulers at 2.00 to 6.00 and men's overcoats in box back or Chesterfield style at 8.00 to 15.00 will save many a doctor's bill.
