A Policeman's

A Well-Known Member of the Telanto Pol os Force Oured of Ohrenic Constipation by

DH. CHASE'S KIDNEY-L!VER PILLS.

Nearly ever, occupation has considerable influence on the health. While outdoor work is usually most healthy, there are circumstances, as in the case of policemen, which cause special ailments.

The greatest enemy to the policeman's licalth is constipation. Owing to his duties on his beat he is led to frequently neglect the call of nature, and as a consequence his bowels become irregular and he suffers from intestinal indigestion.

The letter quoted below is the unsolicited testimental of a policeman who helieves that his fellows on the pulice force, as well as all people who suffer as he did, should know of the excellence of Dr. Chase's Kidney-

Policeman Peter C. Morris, 10 Wascana avenue, Toronto, states: "For years I was troubled with habitual constipation, which, I believe, is the most common aliment of all policeanen. I had spent considerable money in trying all sorts of so-called remedies for constination, and was always disappointed, as the relief was

only temporary, "I now glarly state that I have been completely cured by using Dr. Chase's Kidney-Liver Pills, and shall he pleased to personally recommend them to any person who wishes to interview me I have already advised many friends to use them."

Constipation probably causes more distress and discomfort than any other derangement of the bodily organe, and is undoubtedly responsible for a majority of other human ills. You can be cured of constipation by using Dr. Chase's Ridney-Liver Pills. They are more generally used in Can-ada than any other medicine, and their sale is increasing all the time. Most people can refer you to eases tol serious diserses being cured by this great medicine. One pill a dose; and comta a box. At all dealers, or Bonaheon, Bates & Co., Toronto.

PRAYER FOR DYING ON COURT RECORD.

Brooklyn, May 27,-Abashed by the strange surroundings, an elderly weman recited part of the Catholic prayer for the dying in the Supreme Court yesterday, and there was spread on the court records by the stenographer the response of the "Ave Maria," in order that a jury might judge whether or not Mrs. Catherine Coyle was mentally sound when she made her death-bed will bequeathing her estate, which is worth \$30,000, to Bishop McDonnell, of the Diocese of

Brooklyn. Mrs. Coyle, who dies March 13 1901, made no provision at all for her rolatives, and her nicce, Mrs. Ellen Kenney, is sulng to have the will declared void, on the ground that it was not signed by Mrs. Coyle, that she had not at the time testamentary capacity and that undue influence was exerted upon her.

It was Mrs. Mary O'Donnell who recited the prayer in court. She was asked if Mrs. Coyle had spoken intelligently in the hours preceding her

"The longest response was probably to the 'Hail Mary.' We would recite the first part of the prayer and then she would answer: 'Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.' "

Beautiful flowers were placed on the dozen or so graves of the deceased brethren, and silent prayers offered over each. At the grave of Patrick Boyle, an address was delivered by T. He spoke of the pride that Irishmer, the world over took in remembering the dead, and particularly those who had given up their lives for their country's cause. He dwelt principally upon the splendid character of the late Mr. Boyle, who lor so many years champloned with marked patience and ability the rights of the Irish Catholics of Toronto.

ELECTRIC POLISHING FIBRE.

Among the recent inventions for lightening the labors of housekeepers and servants, there is probably none so useful as the newly-invented chemical treated cloth called "Electric Polishing Fibre." This cloth is so prepared that it cleans and polishes all fine bright metals, such as gold, silverware, jewellery, brass, etc. No powder or polish of any kind is required. Just rub the article briskly with the soft dry medicated cloth and a beautiful polish is imparted. It does not mar the finest surface and the hands are not even solled in using it. It is quick, clean and handy, away ahead of old methods and should be in every household.

It is sold by druggists and notion dealers at 10 and 25 cents per paclage. If yours cannot supply you The Monarch Manufacturing Co., of St. their advertisement in this paper.
