### JUDICIAL SALE

Pursuant to an Order made on the 9th March, 1904, in an action in the High Court of Justice for Ontario in which the Cook and Brothers Lumber Company of Ontario, Limited, are Plaintiffs, and W. H. Sawyer Lumber Company are Defendants, sealed tenders will be received addressed to the "Master in Ordinary, Osgoode Hall, Toronto, Ontario", and marked "Tenders in Cook vs Sawyer," up to eleven o'clock a.m. on FRIDAY, THE 13TH DAY OF APRIL, 1904, for the purchase of four parcels of merchantable White Pine Lumber, 12, 14, and 16 feet in length, hereinafter described, which lumber is now at the Village of Spragge in the District of Algoma, upon the docks of the plaintiffs who are the Vendors—

#### PARCEL I.

This Parcel consists of lumber manufactured at the plaintiff's Mills at Spragge during the season of 1903 from logs cut on the Sable River during the winter season of 1902-1903, which lumber had been in cross-piles sixty days before the close of navigation for the season of 1903, which lumber is estimated at 1,811,815 feet Board Measure and is more particularly described in posters.

#### PARCEL II.

This Parcel consists of lumber similar in other respects to that described in Parcel I, except that it had not been cross-piled for sixty days as aforesaid, which lumber is estimated at 1,655,000 feet Board Measure, and is more particularly described in posters.

#### PARCEL III.

This Parcel consists of lumber manufactured at plaintiff's said Mills during the season of 1903 from logs cut in the Serpent River during the winter seasons of 1901-1902 and 1902-1903, and comprising the product (estimated at about 875,000 feet) of the last 805 of the said logs manufactured into lumber at the said Mills during the season of 1903.

#### PARCEL IV.

This Parcel consists of lumber similar in other respects to that described in Parcel III, except that it was manufactured from logs cut during the winter season of 1902-1903, and is estimated at 2,007,702 feet Board Measure, and is more particularly described in posters.

Tenders are to be at a price per 1,000 feet Board Measure delivered on the plaintiff's dock at Spragge and are to be made on each of the above four parcels separately, together with a scow for any mill culls which may be found in the merchantable lumber when shipping same.

Lumber on shipment to be measured and inspected at Spragge by Messrs. Martin and Boggs of Cheboygan, Michigan; and such inspection and measurement shall be final and conclusive as between the Vendors and the purchasers who are to bear equally the costs of said inspection and measurement (at Twenty-five cents per 1,000 feet Board Measure).

Shipment to be made by water commencing on opening of navigation in spring of 1904, and all lumber to be removed from docks at Spragge one-half of each parcel before 1st June, 1904, and the balance before 15th June, 1904.

TERMS—Ten per cent when tender is accepted; the remainder within ten days from the day of shipment of each cargo.

All payments to be made in funds current at par at a Bank in Toronto.  
Time is to be of the essence of the contract of
