LANGLEY'S ANTIBILIOUS APERIENT PILLS.

THE great popularity acquired by these Pills during the twelve years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificate published concerning them.

These Pills are confidently recommended for Bilious complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, are effectual in their operation, yet so gentle that they may be taken at any time with perfect safety, by persons of both sexes; nor do they as do most other Pills, necessitate the constant use of Purgative medicines, the ingredients of which they are composed effectually obviating this complication.

Selling in Boxes, Price 1s.

MEDICAL REVOLUTION!

THE WORLD UNANIMOUS!

HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!!

THE virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin, as summer rain passes into the fevered earth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti-inflammatory action of this Ointment. Angry Eruptions, such as SALT RHEUM, ERYSIPELAS, TATTER RINGWORM, SORED HEAD, NETTLE RASH, SCABIES (or Itch) &c. die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent.

Wounds, Bruises, Burns, and Scalds.

In cases of the fracture of the bones, injuries caused by gun explosions, Bruises, Burns, Scalds, Rheumatism, Swellings of the Joints, and contraction of the sinews, it is equally effective and warmly recommended by the faculty. This invaluable remedy has been introduced by its inventor in person, into all the leading hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The Medical Staff of the English and French armies in the Crimea, have officially signed their approval of Holloway's Ointment as the most reliable dressing for sabre cuts, lacerations, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:—

Bunions	Mercurial Eruptions	Swelled Glands	Sprains
Burns	Scalds	Sore Legs	Stiff Joints
Chapped Piles	Rheumatism	Sore Throats	Tetter
Itch	Ringworm	Sore Heads	Ulcers
Chilblains	Salt Rheum	Sore Throats	Veneral Sores
Fistula	Scalds	Sores of all kinds	Wounds of all kinds
Gout	Skin Diseases
