Persons desiring to avail themselves of the benefits of Life Insurance, should examine the advantages offered by this Company. Some of them are: 1st.—A Home Company. 2nd.—No Entrance fee, Medical Examiner's fee or annual dues, the ordinary premium covers all. 3rd.—The cost does not increase as age increases, but the fourth and every subsequent premium will be reduced by profits. 4th.—Definite Surrender and paid-up Policy value slips attached to all regular Policies, thus guaranteeing an equitable return for the reserve held in respect of any Policy, if the insured desire to withdraw from the Company. 5th.—A liberal Policy as to conditions and 30 days' grace allowed for payment of premiums.

JOHN G. RICHTER,

Manager.
