

PARISH NOTES.

—OFFERTORY.—June 4th, \$40.76; 11th, \$40.06; 18th, \$40.17; 25th, \$43.30. Amount required weekly, \$50.

—OUR beautiful altar cloth has been rendered more complete by the addition of some richly embroidered needlework, for which our hearty thanks are due to Miss Bella Greer. The materials were furnished as an anonymous gift.

—We clip from a city paper the following paragraph, "The managing committee of the St. James's Square Presbyterian Church have recently reduced the debt of the church by about \$4,000," *apropos* of which we may remark that the debt of St. George's has *not* lately been reduced by about \$4,000, or any other sum, nor is it likely to be reduced by even the modest sum stated in the estimates presented to the Vestry at Easter. unless the offertory receipts amount to the weekly sum stated in those estimates, which is not by any means a large amount for the congregation to give for the support of their Church. The Churchwardens at Easter felt that an increase in the offertory this year might reasonably be expected, and still hope for a realization of their expectations, but for the months of April, May, and June the weekly average has been no more than for the same period last year. As a congregation, we are far from doing our duty to ourselves in establishing and maintaining our Church in the position which it ought to hold among the Churches of this city, after an honourable career of forty years, an established reputation for good works, and a full membership of families well able to do at least as much as members of other and younger Churches are doing.
