## PEMBER'S

**The Leading Hair Goods Dealer and Manufacturer**

We are the largest importers and dealers in human hair on this continent and employ as much help as any other two firms in Canada; now if you do not have the assistance you cannot do the business. We have the finest human hair that it was possible to buy in all the European markets, and, as we import direct, we defy any other firm to undersell us in first quality goods, but beware of those who are always chirping about inferior goods. I have seen more third quality goods said to be purchased in those kind of places than anywhere else. Our name is a sufficient guarantee for first-class goods, reasonable prices, upright dealing.
