## THE WAR OF 1812.

BY MAJOR RICHARDSON, AUTHOR OF WACOUSTA, ETC.

SEVERAL of our contemporaries having intimated a desire that an accurate account of the EVENTS of THE WAR of 1812 in this country, should be given by those who participated in it—and the Montreal Herald in particular having done the Editor of this paper the honor to name him, among others, who could, from personal experience, supply the desired information, we beg to state, for the information of our subscribers, that on the completion of the adventures of "Jack Brag in Spain," we shall publish a "Narrative of the operations of the Right Division of the Army in Upper Canada." All Officers who served in that war, and who are in this country, have it in their power, to supply detailed accounts of the operations of the centre and left Divisions, are requested to send us their various statements (free) with a view to a compilation which will embrace the principal occurrences of that period. The form of the personal narrative connected with the military operations detailed, as will be more interesting to the public, as well as more corroborative of the historical events recorded, be desirable. The operations of the Right Division by the Editor, will embrace the several actions in which Tecumseh was engaged with the British Troops, and will throw a light upon the character of that renowned Indian, which has never yet been thoroughly revealed to the Canadian public. As the copyright of this Narrative will be secured, those only who now are, or may become, subscribers to the "New Era," will have an opportunity of possessing themselves of an important portion of Canadian History, which cannot be without interest to the Canadian public—particularly to the admirers of Tecumseh."—*New Era*.
