**Talks**

By George Thatcher, the celebrated Minstrel.

This unique volume supplies in a most satisfactory way the want that has heretofore been but indifferently met by the so-called Stump Speech books. The book contains all of Mr. Thatcher's Monologues, Parodies, Songs, Sketches, Poems, Speeches, Jokes, etc., etc. It will be found invaluable to every humorous

reader, to amateur and professional minstrels, and in addition will prove interesting reading to any person who is fond of the lighter vein of literature.

**UNIQUE PHOTOGRAPHY.**

Photography is a wonderful art. Incredible as it may seem, it is now possible by the aid of the camera to show the movements of a bird in its flight, a horse at its swiftest pace, or a bullet as it leaves the gun. Very much more that is most marvelous has been accomplished in photography. The publishers of the renowned and popular family weekly, The Detroit Free Press (Detroit, Mich.) have recently been experimenting in the direction of rapid and accurate reproduction of photographs and now announce that they are prepared to make artistic copies at a very low price. They will send twelve Columbia Photos value \$1.00 and The Weekly Free Press one year for \$1.10. It is necessary to send a cabinet or card photograph with order. Our readers had better send for a sample copy of The Free Press and learn the particulars of this remarkable offer which thousands are taking advantage of.
