**TO THE PUBLIC.**

The latest invention in chemistry is Armand's Hair Restorer. Sensational discovery. It differs entirely from any hair restorer existing. It will restore gray hair to its original color, beauty and softness. It is not a dye, and will not soil or injure the skin. Free of grease or any injurious drugs. Most of other hair restorers are more or less injurious to the brains and health, oily and sticky compositions, and are flavored with a very unpleasant odor. Armand's Hair Restorer is free of all these unpleasant drugs. Price \$ a bottle or 6 bottles \$5. Agents wanted for the country.

Laboratory, 407 Yonge St., Toronto.
