DR. M'LANE'S CELEBRATED

LIVER PILLS.

FOR THE CURE OF

" Hepatitis or Liver Complaint, OYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; someames the pain is in the left side; the paient is rarely able to lie on the left side: sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. . The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain, ful sensation of having left undone some-thing which ought to have been done. A slight, dry cough is sometimes an attendar The patient complains of wearines; and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with his disease to give them a fair TRIAL.

A MOST REMARKABLE CURE.

A MOST REHARKABLE CURE.

PRILADELPHIA, June 28th, 1867.

SETH HANCE, Baltimore, Md.—Dear Shy: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted mother physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and hied several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with and was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1863. I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th, 1865, and they we teed a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. Em North Third St., Phinindelphia. Pa.

His case was a very bad one; he had fits nearly all his
life. Persons have written to me from Alabama and
Tennessee on the subject, for the purpose of escertaining my epinton in regard to your Pills. I have a liways

BY HANCE'S EPILEPTIC PILLS.

MONTGONERY, Texas, June 20h, 1867.

To Seth S. Hance:—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had those attacks at intervals of two to four weeks, and oftentimes several in quick succession, semetimes continuing for two or three days. On several occasions they instead until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a pormanchit cure. The persons now a stout, healthy man, about 30 years of age, and has not had a fit since be commenced taking your medicine, ten years since. Ho was my principal waroner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and, would like every one who has fits to give it a trail.

Read the following testimonial from a respectable elitizen of Grenada, Mississippi.

Seth S. Hance, Baltimore, Md.—Dear Sir, I take great pleasure in relating a case of Spanns, or Fits, cannot by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time incommenced taking your Pills he had them very often and quite severe, prestrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five mouths. His mind has also returned to its original brightness, All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. For Diseases of the

Throat and Lungs, such as Coughs, Colds,

Whooping Cough,

Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as

the more formidable diseases of the lungsi As a safeguard to children, amid the distress. ing diseases which beset the Thront and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.
