

stigmatised as a "d-d frog-eating Frenchman, through whom he had been taken in, and who ought to have known better."

AN ALPHABETICAL ADVERTISEMENT.—A genius of the county of Cork is credited with the following ingeniously compiled advertisement about a horse, which was indeed a wonder, if half the description were true.—Spanker, the property of O. D.—Saturday, the sixteenth of September next, will be sold, or set up for sale, at Skibbereen, a strong, steady, sound stout, sinewy, serviceable, smart, strapping, supple, swift, slightly, sprightly, spirited, sturdy, shining, sure footed, sleek, smooth, spanky, well skinned, sized, and shaped sorrel steed, of superlative symmetry, styled Spanker; with small star, and snip square side, slender shoulder, sharp sight, and step singularly stately; free from stain, sprain, spasms, spasms, stringhalt, stranguary, sciatica, staggers, scowering, strangles, seeling, sellander, surfeit, seams, strumous, swelling, sorrances, scratches, splint, equin, scurf, scabs, scars, sores, scattering, shuffling, shambling gait, or symptoms of sickness of any sort. He is neither stiff mouthed, shabby coated, sinew shrunken, spur galled, saddle backed, shell footed, shin gutted, subarbed, skin scabbed, short winded, splay footed, nor shoulder slipped, and is sound in the sword point and stiffler joint. Has neither sick spleen, sleeping evil, seifast, anaggle teeth, and cracks, swelled sheath, subcutaneous sores, nor shattered hoofs. Nor is he sour, sulky, surley, stubborn or sullen in temper. Neither shy, skittish, slow, sluggish, nor stupid. He never slips, strips, or strays stalks, starts, stops, shukes, snivels, snuffles, snorts, stumbles, or stacks, in his stall or stable, and scarcely or seldom ever sweats. Has a showy, stylish switch tail or stern, and a safe set of shoes on. Can feed on stubble, sain-foin sheaf oats, straw sedge or Scotch grass. Carries 16 stone with great speed in his stroke, over a six foot sod, or stone wall. His sire was the Sly Sobersides, of a sister of Spindleshanks by Sampson; a sporting son of Sparkler, who won the sweepstakes and subscription plate last year at Sligo. His selling price, £37 10s 6d sterling (Stereo typed by Samuel S Smith, St. Stephen's Square Strangford).

BY THE LATE FOREIGN MAILS. Rev. Francis Mason writes from Tonggo, China—

"There is no medicine in so constant demand as the PAIN KILLER, and I cannot fancy the limit to its sale, did I always have it on hand. Please send me forty-eight boxes without delay."

Rev. G. P. Watrous, writing from Shwaygyeen, Burmah says:—"There is a great demand for your PAIN KILLER at this station. We consider it almost one of the necessities of life. Please forward twelve boxes (via Calcutta), by first opportunity. I enclosed a draft on Treas. A. B. M. Union for the amount."

Rev. B. C. Thomas writes from Henthada—"I am sorry to say that I have no PAIN KILLER now on hand, and have not had for a month past. By some combination of circumstances two boxes reached me at once; I then thought it would be difficult to dispose of so much, but it is all gone, and I had ordered some from Ragoon, but failed to get it. The fact is the PAIN KILLER is becoming popular in these parts not only among the natives, but also among the British officers and residents. More has been bought by the natives of late than usual, for the reason the cholera has been prevalent."

Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Diseases of the Throat and Lungs, and Pulmonary Affections of the severest type, are quickly cured by that long tried and faithful remedy,

DR. WISTAR'S BALSAM OF WILD CHERRY.

Says a well known Editor:—"This is truly a Balsam and a blessing to invalids. It contains the true balsamic principle of Wild Cherry, the balsamic properties of tar and of pine. Its ingredients, which are mingled after the true principle of chemistry, are all balsamic, and therefore it is safe and sure in effect. Coughs, Colds, Consumption, and Bronchial troubles disappear under its balsamic influence as though charmed away. Probably no medicine has ever attained so extended a sale or accomplished so much good as this renowned Balsam."

Chesville, Ga., February 26, 1858.

Messrs. Seth W. Fowle & Co., Boston, Mass. Gentlemen,—At the request of your Travelling Agent, I give you a statement of my experience in the use of Dr. Wistar's Balsam of Wild Cherry. I have been using it for two years in my family, for Coughs and Colds, and have found it the most efficacious remedy that I have ever tried.

For Coughs and Colds in children I know it to be an excellent medium.

Respectfully yours,

JOHN H. RICE.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings unaccountably depressed? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by timely use of the right remedy. Take Ayer's Pills, and obtain relief from the disordered humors—purify the blood, and let the system move on unobstructed in its natural course. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make it unhealthy for years. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in the trivial and common complaints, is also true in many of the depressed and dangerous dyspepsias. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are cured, and many of them cured, by the same means. Some who know the virtues of these pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1859.

DR. AYER: Your Pills are the paragon of all that I have ever used in medicine. They have cured my little daughter of a severe cold upon her hands and feet that had rendered her unable to walk. For another child, who had been severely afflicted with blotches and pimples on her skin, in her hair. After our child was cured, she also took your Pills, and they have cured her.

ASA MORGENTHAU.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. They expel all the impurities which surmount any careful use of medicine. They are mild, but very certain and effectual in their action upon the bowels, which makes them invaluable to us in the daily treatment of disease.

Hemorrhage, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURGH, Pa., May 1, 1859.

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache my body can have, by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PIERCE, Clerk of Steamer "Charon."

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any other remedy I can mention. I sincerely believe that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb. 1859.

Sir: I have used your Pills in my general and special practice ever since you made them, and do not find a more great dependence on an effectual cathartic in my daily practice than your Pills. They are mild, but very certain in their action upon the liver, and I can confidently recommend them to my friends.

Yours, J. V. HIMES, Physician of the Marine Hospital.

Dysentery, Diarrhoea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alternative effect upon the liver makes them an excellent remedy when given in full doses for bilious dysentery and diarrhoea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. Y. Himes, Pastor of Adelant Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood is the best and most reliable remedy ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1859.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the impurities of the blood.

JOHN G. MEACHAM, M. D., Physician of the Marine Hospital.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, &c.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of constipation. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had enough in itself, is the progenitor of others that are worse. My wife's constipation to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promoters of the natural secretion when wholly or partially suppressed, and are very effectual to relieve the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Episc. Church, Pelee's Island, Savannah, Ga., Jan. 6, 1859.

HONORED SIR: I should be ungrateful if the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exciting neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. My efforts were slow, but sure. By persevering in the use of them, I am now entirely well.

DR. AYER: I have been entirely cured
