## Mercantile Summary.

THE Metropolitan Railway, Toronto, is making the survey for an extension of its road northerly from Newmarket to some point on Lake Simcoe, probably Barrie or Sutton. The Schomberg extension is now nearly completed.

THE Ontario Government is offering the timber limits along the Temiskaming Railway to settlers in the district, who are availing themselves of the opportunity to secure building material. Some extensive sales of timber limits will be held in the early fall, mostly on the sites of new townships recently surveyed.

THE Ottawa Government has issued revised regulations regarding the bringing into Canada of automobiles by tourists from the United States. When not new, these vehicles will in future be admitted free of duty upon making a deposit of 5 per cent. of the value, and giving a bond for double the estimated duties. The collector at the port of entry may use his discretion in waiving the requirement for the 5 per cent. deposit, when he is satisfied that the automobile will be used in Canada only within the limits of the port of importation and vicinity.

## The Selection of an Executor

Of proven integrity, ability and experience is the paramount duty of every man possessing property of any description.

To choose an executor on grounds of personal friendship only is to jeopardize the estate and the welfare of those dependent thereon. Such a person may have no capacity for the duties of the office, may not live to perform them, or may become a defaulter.

A corporate trustee offers ability, security and experience in the discharge of these important duties at a minimum cost.
