ALL will regret to hear of Mrs. Tilton's accident. She fell down stairs, July 17th, and injured her arm very much. The fracture of the bone, though slight, and the shock to the system, will require some time before perfect restoration to health.

HALF-EMPTY churches and choirs, with the parsons away on holidays, occasional sermons only, church organizations closed up, mark religious life in Ottawa during July and August. The greatest activity in church circles is seen in the "Jan drill."

THE Rev. J. McJ. Bradshaw, formerly of Metcalfe, has returned from Texas, and is hoping for a parish in Ontario. The heat did not agree with him nor his family. He has been offered the charge of Wellington, Prince Edward county, during the absence of Rev. J.

Could all that is promised be collected, the election of a new bishop would take place immediately. The ladies at the different tables are to be congratulated for the way in which they performed their several duties, and for the general success of the evening's proceedings. About \$37, which will be devoted towards paying off the debt on the shed, was realized over and above all expenses connected with the garden party.
