Mercantile Summary.

A STATEMENT has gained currency that the
Messrs. Allan have arranged a new contract
for the Canadian Ocean Steam Service, an an-
nual subsidy of £600 stg. per round trip during
eight months of the year having been agreed to.

LAST year the United States imported 15,-
680,283 lbs. of tea from Japan, or about 30 per
cent. of the total importations, and all this
trade has been built up within ten or twelve
years.

change is for the best interests of the Island.
