WELLAND CANAL ENLARGEMENT.

NOTICE TO CONTRACTORS.

SEALED TENDERS addressed to the undersigned and endorsed "Tender for the Welland Canal," will be received at this office until the arrival of the Eastern and Western mails on MONDAY, the 25th day of January next (1886), for raising the walls of the locks, weirs, &c., and increasing the height of the banks of that part of the Welland Canal between Port Dalhousie and Thorold, and for deepening the Summit Level between Thorold and Ramey's Bend, near Humberston.

The works, throughout, will be let in Sections. Maps of the several localities, together with plans and descriptive specifications, can be seen at this office on and after MONDAY, the 11th day of JANUARY next (1886), where printed forms of tender can be obtained. A like class of information relative to the works north of Allanburg will be furnished at the Resident Engineer's Office, Thorold; and for works south of Allanburg, plans, specifications, &c., may be seen at the Resident Engineer's Office, Welland. Contractors are requested to bear in mind that tenders will not be considered unless strictly in accordance with the printed forms, and, in the case of firms, except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque for the sum of Two Thousand Dollars or more—according to the extent of the work on the section—must accompany the respective tenders, which sum shall be forfeited if the party tendering declines entering into contract for the works, at the rates stated in the offer submitted.

The amount required in each case will be stated on form of tender.

The cheque or money thus sent in will be returned to the respective parties whose tenders are not accepted.

This Department does not, however, bind itself to accept the lowest or any tender.

A. P. BRADLEY,
