

5. Where the Dominion, for navigation purposes, expropriates or uses any part of the bed of any stream vested in the province, is the province entitled to any compensation for such expropriation or use?

6. Has the Dominion the exclusive legislative control over and proprietary interest in water powers brought into being by works authorized by Parliament to be erected in an international stream for the purpose of carrying out an agreement between Canada and any foreign country looking to the erection of joint works for the improvement of navigation in such stream?

If not, what are the powers and rights of the province with regard to such water powers?

7. Where the bed of a navigable stream is owned by the province or by a private individual, is the title of such owner subordinate to the public right of navigation, and to the provisions of any statute which may be enacted from time to time by Parliament, within the powers conferred by section 91 (10) of the British North America Act, 1867?

E. J. LEMAIRE,
Clerk of the Privy Council.
