

PILOTAGE SERVICE

2. (a) Coordinated pilotage service shall be provided for the Great Lakes by Canadian and United States registered pilots under the administration and control of the Minister and the Secretary.
- (b) The Minister and the Secretary, respectively, will maintain registers of Canadian and United States registered pilots authorized to render pilotage services on all or specified portions of the Great Lakes, and will establish and maintain systems for recruiting and training pilots.
- (c) No person may be registered as a pilot, and no registered pilot may continue as such, after he reaches the age of 65 years unless, in the opinion of the Minister or the Secretary, as the case may be, the public interest will be thereby served and that person is fit to perform the duties of a pilot.

PARTICIPATION IN PILOTAGE SERVICE

3. (a) The Minister and the Secretary will, from time to time, determine the number of pilots to be registered and the waters for which they are to be registered.
- (b) Canadian and United States registered pilots shall participate equally in the pilotage services required on the Great Lakes so that as far as practicable there shall be an equal number of Canadian and United States registered pilots.

DISPATCHING

4. The Minister and the Secretary will establish and maintain, or cause to be established and maintained, facilities for the dispatching of pilots and for related services, including pilot boats.

ACCOUNTING

5. (a) The Minister and the Secretary will establish and maintain, or cause to be established and maintained, facilities for billing, collecting, and accounting of pilotage revenues.
- (b) The costs of dispatching and related services shall be determined by the Minister and the Secretary and shall be paid out of pilotage revenues and, except as provided in paragraph (c), the remainder of such revenues divided into Canadian and United States shares in proportion to the revenues received for pilotage services rendered by Canadian and United States registered pilots, respectively.
- (c) The Canadian and United States shares of the pilotage revenues collected for services by pilots registered only for service in Lake Ontario and Kingston Harbor shall be determined on the basis of the number of days on which the Canadian and United States pilots, respectively, were available for pilotage service.
- (d) Billing shall be on the basis of the currency of the nationality of the pilot or on such other basis as the Minister and the Secretary may determine.
- (e) Settlement of accounts adjusting amounts due between accounting offices shall be effected on an interim basis as of the end of each month with an annual settlement as of December 31st of each year; and payments on account shall be made on the 15th of the following
