

Rambles among the Blue-Noses;

OR,

REMINISCENCES OF A TOUR

THROUGH

NEW BRUNSWICK AND NOVA SCOTIA,

DURING THE SUMMER OF 1862.

BY ANDREW LEARMONT SPEDON, ^d

AUTHOR OF "TALES OF THE CANADIAN FOREST," ETC.

'Tis the land of the forest, the bay, lake, and river,
The land where the dense fog in slumber repose,
The land of brave hearts with the "true blue" for ever;
The land of "green fir," and the land of "Blue-Noses."

Azure Proboscis.
