

Rugby Union Teams Score Decisive Wins

THE ARGONAUTS PLAY N TOP FORM

Run Up Early Lead on Rough Riders and Eased Up in Final Quarter.

Because Argonauts beat Ottawa 20 to 5 at Rosedale on Saturday it must not be concluded that Rough Riders have no team. Indeed, the visitors from the capital put up a fair kind of a game, but the popular team were in top form and simply smothered their opponents. There was a fine crowd in attendance, who thoroughly enjoyed the victory in ideal football weather.

The Argos' line was much heavier, and Holmes and Smith were easily able to outpace any of the Ottawa kickers. Argos scored all their points in the first three quarters, and were content to hold their lead after that. Two lone points were all that Rough Riders were able to score on a dead-line and a rouge.

Burkart, McFarlane and Motley put up the best game of their careers. Babo was responsible for many holes in the Ottawa line, and he plunged thru time after time for his gains. Motley showed great class for a raw player, and looked to have his job at outside wing clinched. Big Mac was in the line-up on many occasions, and he showed lots of game. New right half, Holmes, showed a great game at centre half until he retired in the last quarter. Argos used a number of substitutes after they had piled up their big lead on the Rough Riders.

The teams were:
Argos (50): Rover, Murphy; halves, E. Smith, Holmes, O'Connor; quarter, Miller; scrum, Simpson, Davidson, Patterson; inside, Foster, McFarlane; middle, Knicker, Burkart; outside, Murray, Knicker.
Ottawa (23): Rover, Conyers; halves, McCall, Bouchard, Frith; quarter, Shelling; scrum, Walters, Kelly, Emmerson; inside, Davis, Cassels; middle, Vaughan, Stalter; outside, McCann, Tibbels.
Referee: Percy Roberts. Umpire: H. Gordon.

Argos won the toss and decided to kick towards the eastern end of the field. Argos looked to be a heavier team than the Ottawa. Holmes hooked to the dead-line for Argos' first point, and so the Ottawa continued to add to the score, single points raising the total to 5 to 0 at quarter time.

A try from a kick by Davidson, two more touchdowns by Burkart, with two single points raised Argos' total to 22, while Ottawa secured a lone rouge before half-time.

Roughs were in order the third quarter up to Jack O'Connor's try, Ottawa getting another point. Three-quarter score, 20 to 2.

The Argos rested on their oars the final quarter, in which there was no scoring.

The Tiger Cripples Trough Montreal

HAMILTON, Oct. 31.—Tigers demonstrated their resourcefulness at the Cricket Ground today when they defeated a crippled team, they administered a severe drubbing to Montreal, score 25 to 2. There was a good crowd in attendance, and the advice placed the responsibility of kicking on Tootie Leckie, who responded creditably and, among other things, dropped two goals from the field.

With the wind in their favor, Tigers scored three touchdowns in the opening quarter, and finished up with Wilson bucking over for a touchdown.

Montreal had the wind the second quarter, and scored two points, the tally at half-time being 5 to 2.

Tigers pressed in the third quarter, when Leckie drop-kicked twice fair over the bar, and Wilson scored a safety touch, the kings entered the final stage leading 17 to 2.

The Tigers forced the play against the wind, showing their fine condition. Thompson skirted the left end and ran 35 yards. Leckie booted to Brophy, who roused. Wilson bucked from midfield to Montreal's five-yard line. Clark plunged over for a touchdown, which Moore did not convert. There was no more scoring.

The line-up:
Tigers (23)—Flying wing, Labster; right half, McKelvey; centre half, Leckie; left half, Palmer; quarter, Dixon; right scrum, Ireland; centre scrum, Mayers; left scrum, Miller; right middle, Clark; left middle, Hunsicker; right outside, Thompson; left outside, Holden.
Montreal (12)—Flying wing, Cameron; right half, Tucker; centre half, Brophy; left half, Bawick; quarter, Doty; right scrum, Williamson; centre scrum, Roberts; left scrum, Trenholm; right middle, Baker; left middle, Pottier; right inside, Hulme; left inside, Abinovich; right outside, Baker; left outside, Dawson.
Officials—Phillips, referee; Clancy, umpire.

PARKDALE CANOE CLUB RUGBY

Parkdale Canoe Club, junior O.R.F.U. rugby team, will practice Monday, Tuesday and Wednesday nights this week in an endeavor to wash off the slate the black mark they got on Saturday when they were severely trounced by Dons in a poorly played game. The surprising reversal of form shown by the juniors after their defeat of Kew Beach on the previous Saturday has not discouraged the coaches. If they win from the Cubs next Saturday they will win this division as the game counts for two wins or losses.

VARSITY SHOULD BEAT MCGILL TEAM AND TIE UP INTERCOLLEGIATE UNION

McGill and Hamilton Rowing Club are still unbeaten in the Rugby Union race. They were both idle on Saturday. The Hams play at home this week and should land another win and end the O.R.F.U. discussion. McGill, however, has another proposition, viz., playing Varsity in Toronto, King's toughest proposition of the season.

McGill will be minus four men who helped to beat Varsity in Montreal, whose qualifications this season at their Alma Mater was writing and getting plucked on supplemental. The intercollegiate rules on this point states that eligible players must have regularly passed their previous examinations and be regularly registered in some faculty. While Varsity has entered no protest it will be interesting to note McGill's course in the matter. Without these four men Varsity should turn the tables and tie up the league.

Argonauts displayed their best rugby of the season before a big crowd at Rosedale and Ottawa never had a chance. They play the return game this week at Hamilton.

Teddy Marriot picked the five winners Saturday and backed his opinion, getting odds of 5 to 1. It is interesting to note that this week he selects five more teams to win as follows, viz., Varsity, Argonauts, the two Hamilton teams and St. Patrick's.

St. Andrews sprung the biggest kind of a surprise on Ridley at St. Catharines in the Little Big Four, another Harry Griffith's Ridley boys 40 to 5. The winners are the biggest preparatory school team ever seen in these parts and besides play clever football with a sure defence. T.C.S. beat U.C.S. and will play off with Ridley this week for second place. St. Andrews and their ancient rivals, Upper Canada, also meet on Saturday to wind up the season.

Varsity should be a good account of himself. Queens scored 18 points on one line on a run of Lindsay and backs by Stratton, who was carried over for a try, which Doyle converted. A fine piece of play was pulled off by Queens at the start of the second quarter. Lindsay kicked to Haslett at Queen's 45-yard line, and Haslett passed, Long to Rowlands, who made a run of 40 yards. A kick put the play at Varsity's 15-yard line. Varsity carried the play into Queen's territory. On the first down Haslett kicked the ball over Varsity's 15-yard line. Queens 5, Varsity 1.

The next few plays were rushes by Varsity, who carried the play clear down to Queen's goal line on a run of Lindsay and backs by Stratton, who was carried over for a try, which Doyle converted. Queens added two rouses and a try. Queens had to be replaced by Robins and Doyle. Queens scored a try, which was not converted. There was a bye next Saturday, winding up their season Nov. 14 at McGill.

The line-up of the teams as they went on the field was as follows:
Queens—Flying wing, McQuay; centre half, Haslett; left half, Hill; right half, Rowlands; quarter, Quigley; scrum, McLean, Kennedy; halves, White; inside wings, Ellis and Piggin; middle wings, Herwell and Dunsmore; outside wings, St. John and Brewster.
Varsity—Flying wing, Gage; centre half, Lindsay; left half, Doyle; right half, Sheehy; quarter, Stratton; scrum, Campbell, Homer and Nicholson; inside wings, McMillan and Brian; middle wings, Cassels and Hughes; outside wings, Adelaar and Sinclair.
Referee—B. O. Sitter, Kingston.
Umpire—Dr. W. E. Hendry, Toronto.

REGINA BEAT WINNIPEG.
