

APPENDIX No. 3

'What has been done at Fontainebleau in one unit of the French army can be done as well in the 4,000 units (batteries, squadrons and companies) which compose the army.

'If this example was followed by all the regiments of France, the total receipts would be 21 millions ; all expenses paid (establishment and maintenance), there would be a general profit of 9 millions with which the provident funds, the libraries, &c., could be subsidized without calling upon the state to do so.'
