TORONTO AND TECUMSEHS

Join N.A.L.U. To-Day—Representatives Left for Montreal Last Night

Fred Thompson and Jimmy Murphy of Toronto and Charlie Gierrie and J. K. Menno of Tecumsehs left last night for Montreal to attend the annual meeting of the N.A.L.U. and it is practically decided that they will play in the Eastern this year, so once more the teams of the seven clubs, which are Shamrock, Montreal, Ottawa, Toronto, Tecumsehs, Toronto and Tecumsehs, will form the N.A.L.U. This will mean an eastern tour here every Saturday. The other C.L.A. clubs will probably not be pleased, but at the senior meeting on Thursday night at the Ironopolis the outside teams stated they would not play senior if they did not get the 60 and 40 per cent. gate.

By this move the Tecumsehs will become of the other seniors. There will certainly be a scramble for players, and Toronto and Tecumsehs should be able to hold their own with the east with the players they have to pick from.

SAYS M.A.A.A. ARE ALL AMATEURS

Sporting Editor: World. I have noticed in the papers of late a considerable amount of talk regarding the Tecumsehs and Toronto Lacrosse Clubs being taken into the big league. Now, being a lover of clean sport, I do not see the reason why they are seeking admission, as I know of a fact that all the members of the M.A.A.A. are amateurs in good standing, and to mix themselves up with professionals would be a downfall. I had the pleasure of visiting their club last week, and must say it is a credit to their credit. They could not get up a team of players that would play for the love of the game, same as in the good old days, when J. L. Hughes, C. Robinson, C. Nelson, Ike Suckling, John Henderson and Bob Coulson, with numerous others, played for the love of it, and I am sure it would meet with success in more ways than one.

I am proud to see the stand that President Carlin has taken in this matter, and trust that the other presidents will stand by him for pure amateur sport, as it is the only way to gain success.

Parkdale Athletic Association.

President Kammerer is authority for the statement that the property, No. 7 Laburnum-avenue, having 100 feet frontage on the street, by a depth of 260 feet, to Lake Ontario, including the water lots with the same frontage, extending into Lake Ontario 600 feet, has been purchased for the Parkdale Amateur Athletic Association. There is a beautiful 15-roomed residence on the grounds, which will, as early as possible, be converted into a club house. This will give the "P.A.A." one of the finest club houses and grounds in Canada, and aquatic, tennis, lawn bowls and quoits have an assured home for years to come. It is the intention of the association to secure an athletic field outside of the city, close to the line of electric or steam railways, where baseball, cricket, rugby, hockey, etc., can be played. Options have been secured on a number of sites, and at the annual meeting Tuesday next, authority will be given to purchase one of these properties.

The Chapman Double-Ball Bearing Company of Canada, Limited, has shipped a large order of bearings to the Western Canada Flour Mills Company, St. Boniface, Man.

This mill is one of the largest and most modern equipped flour-mills in the world, and is using every modern appliance with a view to economy, and evidently considers the Chapman Double Ball Bearing right in the front rank of that line.

The West End Y.M.C.A. Senior Lacrosse Club will meet at the gym, on Monday for consultation.

FOOTBALL MEN AT BERLIN 27TH ANNUAL OF THE W.F.A.

Rules Amended, Schedules Made, Officers Elected and D. Forsythe Given Testimonial.

Berlin, April 13.—(Special.)—The 27th annual meeting of the Western Football Association was held here to-day with about 50 officers and delegates in attendance. President Cheswright in his annual address announced that he would not again stand for the presidency, which office he has held for six years, and also that Secretary Forsyth had decided to resign. The president made a plea for close application to business throughout the season, so that all matters might receive proper consideration without waste of time. The financial report presented by Mr. Forsyth showed a surplus of \$100. At noon the delegates adjourned to the Walker House for dinner. During the afternoon the time spent there was the presentation of a purse of \$225 in gold, along with a magnificent cheque for \$100,000, to David Forsyth, together with glowing commendations and a testimonial presented to him in the way of speeches and resolutions adopted. The resolutions were read by Mr. Forsyth, there were toasts to old and new members, and the meeting was adjourned until 7 p.m. The members of the first senior champion F.A. were: Martin Todd, Galt; J. R. Starr, Toronto; Fred Wilson, New Hamburg, and H. P. Sims, Berlin.

The great portion of the afternoon was taken up with the discussion of proposed amendments, which have previously been submitted to the Ontario Association Football League. It was recommended that the rule defining rough play to do away with checking off, the term generally applied to charging a player who is not playing the ball, and also to make it impossible for the goalkeeper to take only two instead of three seconds to get the ball. The rest of the proposed amendments adopted, except the proposed alteration of the rule affecting the resident players, and that affecting the Fouch Cup competition.

Representatives of Hough Cup clubs met and a deadlock ensued on the vote as to whether the Hough Cup contest should continue as at present or be changed to the home and home game system. It was decided to continue as at present for one year, but that a census of the colleges and institute teams be made in the meantime and in the event of a change being decided to enter that a change be made next year. The meeting adjourned to meet on Friday at 7 p.m. at the home of the president, D. L. B. D. Volland, hon. secretary-treasurer, 100 York Street, Toronto.
