SQUASH RACQUETS AT BOSTON.

BOSTON, Feb. 12.—Squash racquet players from Philadelphia defeated Boston men in three matches out of five in the inter-city contest on the Boston A.A. courts today. Teams from Baltimore and Toronto were expected to compete, but only one man from each city arrived. It was explained that the Toronto players had gone to the war. One of the surprises of the national singles championship was the ease with which S. W. Patterson of Philadelphia, champion of Pennsylvania, defeated Matthew Bartlett, the Massachusetts champion. Patterson will play H. A. Haines of Baltimore for the national title tomorrow.

SOMERSAULTS FROM SKIS.

HANOVER, N.H., Feb. 12.—The ski exhibition of C. G. Paulsen of New Hampshire College was the feature of the Dartmouth winter carnival today. He won the intercollegiate ski cross-country race, in which Burke of McGill University, Montreal, was second, and closed the day with a spectacular exhibition of somersaulting from the ski jump. The snow was a trifle soft, slowing up the events considerably. The ten-mile ski relay race between McGill and Dartmouth was called on account of darkness with Dartmouth leading by two minutes at the finish. The final lap will be run off tomorrow.

INTERNATIONAL MAY GET IN BY FED ROUTE

New York Nationals Continue to Oppose Team From Barrow League in Bronx.

NEW YORK, Feb. 12.—President Edward Barrow of the International League held another conference today with President Hempstead of the New York Nationals on the project of placing an International League club in the Bronx, but the local club-owner has not changed from his position and continued to oppose the project.

Barrow said today he also had written to the American League for permission to place a team in New York, and learned that President Johnson had left the decision in the hands of the local American League club. It has been understood that the American League interests were not inimical to the project, provided the consent of the National League could be obtained.

What Barrow's next move might be he did not indicate tonight, but he may advocate affiliating with the Federals and get into the Bronx by that route.
