

Vesicular murmur, *contd.*

- deficient on right side in large hydatid cyst of liver .. 415
- Vibrios in purpura .. 395
- Vibrio in cholera .. 391
- Vicarious menstruation (see Menstruation) .. 220
- Villi, chorionic .. 220
- Villous carcinoma of bladder (see Carcinoma of bladder)
- of rectum, hemorrhage in .. 33
- Vincent's angina**, bacteriological diagnosis of .. 672
- distinction from diphtheria and follicular tonsillitis .. 672
- enlargement of submaxillary lymphatic glands less common in .. 419
- factor of breath in .. 99, 672
- fusiform bacilli and spirilla in .. 670, 672
- laryngitis from .. 670
- pharyngitis from .. 670
- prognosis good in .. 672
- resistance to treatment .. 672
- sore throat from .. 670
- tonsillitis from .. 670, 672
- ulceration of tonsil in .. 670, 672
- Violinist's cramp .. 177
- Visceroplois**, constipation due to (Fig. 3.) .. 147
- displacement of kidney in .. 473
- liver in .. 473
- stomach in .. 473
- dull dragging abdominal pain in .. 473
- illustrated .. 147
- insufficient defecation due to .. 118
- profile of abdomen in .. 173
- x-rays and bismuth meal in diagnosis of .. 473
- Visible peristalsis (see Peristalsis)
- VISION, DEFECTS OF** .. 834
- double (see Diplopia)
- loss of, in glaucoma .. 257
- normal characters of .. 831, 835
- peripheral constriction of field of, causes of .. 666, 838
- spiral or concentric limitations of in hysteria .. 837
- Visual disturbance transitory in migraine .. 329
- word centre .. 683
- - - agraphia in lesions of .. 685
- Visuals, definition of .. 685
- Vitiligo, diagnosis of chloasma from .. 575
- Vitreous, hemorrhage into, erythroptosis due to .. 840
- sudden blindness from .. 839, 840
- lazy in glaucoma .. 838
- Vocal cords**, ataxy of .. 69
- inflammation and ulceration of, diagnosis of laryngeal paralysis from .. 537
- paralysis (see Paralysis of Vocal Cord)
- fremitus decreased or lost in a deformed chest .. 192
- in emphysema .. 193
- with pneumothorax .. 193
- in fibroid lung .. 193
- tactile, absent in pneumothorax .. 180
- decreased in bronchial obstruction .. 296, 322
- increased in emphysema .. 246
- fibroid lung .. 246, 332
- unequal in phthisis .. 310

Voice, abnormalities of (see

- Speech, Abnormalities of)
- with cough .. 176
- in laryngitis .. 226, 673
- laryngeal paralysis .. 538, 539
- mediastinal growth .. 483
- excessive use of, chronic pharyngitis from .. 673
- lost, with normal cough, in hysterical aphonia .. 687
- monotonous in paralysis agitans .. 796
- nasal, after diphtheria .. 77, 181, 559
- in myasthenia gravis .. 687
- with paralysis of palate .. 640, 687
- ready tiring of, from chronic pharyngitis .. 673
- in myasthenia gravis .. 687
- reduction to whisper in hysterical aphonia .. 687
- sounds absent in bronchiectasis .. 703
- lung compression .. 331
- deficient, from obstructed bronchus .. 296
- or absent in pneumothorax .. 577
- in fibroid lung .. 324
- increased in emphysema .. 246
- test, for hearing, whispered .. 188
- Voices, hearing of, as epileptic aura .. 80
- Volatile oils, bulk in workers .. 110
- Volkman's contracture .. 132, 165
- of forearm (Fig. 43, p. 165) .. 72, 166, 552
- Volulus, great abdominal distention from .. 152
- intestinal obstruction from .. 431
- pain in left iliac fossa in .. 501
- of sigmoid colon .. 713
- vomiting with .. 153
- Vomit**, absence of free HCl in, in new growth of stomach (and see Gastric Contents) .. 691
- black, in acute yellow atrophy .. 302
- phosphorus poisoning .. 373
- yellow fever .. 391, 373
- hepatic pus in, from rupture of liver abscess into stomach .. 409
- saccharine in, in new growth of stomach (Fig. 92, p. 267) .. 691
- VOMITING** .. 841
- in abdominal angina .. 351
- acetouria in .. 4
- in active congestion of liver .. 371
- acute encephalitis .. 139, 547
- general peritonitis .. 431
- meningitis .. 139, 593
- pancreatitis .. 292, 646, 724
- poliomyelitis .. 128, 555
- rheumatism .. 671
- without diarrhoea, marasmus from .. 126
- yellow atrophy of liver .. 302, 370
- in Addison's disease .. 38
- anemic .. 49
- from appendicitis .. 135, 729, 736
- in arsenical poisoning .. 87, 92, 297
- arteriosclerosis .. 328
- associated with flushing .. 268
- with bacteriuria .. 81
- in biliary colic .. 135
- from carcinoma of caecum .. 729
- colon .. 307
- duodenum .. 725
- stomach .. 299, 351, 185, 694
- central causes of .. 843, 844

Vomiting, *contd.*

- in cerebellar abscess .. 651
- cerebral abscess .. 547, 651, 686
- cerebral, account of .. 341, 847
- absence of nausea in .. 847
- tumour .. 173, 262, 477, 547, 686, 782
- of cerebral type .. 328, 585, 686
- of children, tetany in .. 178
- in chronic intestinal obstruction .. 350
- peritonitis .. 36
- from colic .. 133, 363, 500, 645
- collapse after severe .. 346
- due to colon inflammation .. 727
- with constipation, in hypertrophic stenosis of the pylorus .. 845
- copious, from carcinoma of pylorus .. 737
- in gastrectomy .. 737
- pyloric obstruction .. 353
- cyclical, of infants .. 426, 843
- with cystic kidneys .. 18
- definition of .. 841
- in distoma hepaticum infection .. 364
- duodenal ulcer .. 300
- early phthisis .. 350
- effortless, in cerebral tumour and abscess .. 341
- in exhalting gastric atony .. 713
- exhaustion of obstructed labour .. 229
- **fæculenti** .. 153
- in appendicitis .. 846
- gastro-colic fistula .. 845
- general peritonitis .. 644
- hysteria .. 847
- intestinal obstruction .. 131, 151, 131, 845, 846
- sex incidence of .. 692
- of fermenting fluid in pyloric or duodenal obstruction .. 571
- in gall-stone colic .. 363
- gastric crises of .. 843
- in gastric crises of tabes .. 350, 485
- from gastric fermentation .. 267
- ulcer .. 49, 89, 208, 352, 485
- gastritis .. 297, 352
- relief of pain by .. 481
- glaucoma .. 191, 838
- Henoch's purpura .. 30, 380, 600
- hypothermia after severe .. 346
- hysterical, carcinoma of stomach mistaken for .. 508
- diagnosis of indigestion from .. 350
- in influenza .. 503
- intestinal obstruction .. 133, 151, 153, 131, 571, 645, 727, 733, 736, 741, 845, 846
- peritoneal, and general visceral causes of .. 841
- intracranial gummata or tumour .. 336
- intractable, in acute yellow atrophy of liver .. 302
- in intussusception .. 727, 736
- irritant or corrosive poisoning .. 674
- lead poisoning .. 77
- Meniere's disease .. 828
- meningitis .. 341, 350, 359, 622, 642, 699
- migraine .. 329, 837, 838, 840, 847
- morning, in alcoholism .. 238, 243, 368, 797
- in pregnancy .. 137
- neuro-muscular mechanism of .. 842
- non-obstructive anuria .. 46
- at onset of scarlet fever .. 843
- in otitis media in children .. 229
