GOOD COFFEE AT LAST! And Coffee That Won't Hurt You

That's what Toronto is saying about Dalton's French Drip Coffee. West End and East End, Rosedale and Avenue Road, the City and Suburbs, are solidly united on the Coffee question. They are all simply delighted with Dalton's French Drip Coffee.

The exquisite flavor of Dalton's Coffee is a joy to those who really enjoy a delicious cup of coffee. It is something linger over, something that gives its magic touch to the whole meal. This flavor comes from three prime causes—qua purity and roasting. Dalton's Coffee comes from the finest plantations in the world. We get good Coffee to start with, and it is all Coffee—no Chicory—no artificial coloring or flavor.

Then, we roast it right, by throwing the green coffee through a naked flame. This special process roasts Coffee in one-third the time of the cylinder process, and the Coffee is roasted so quickly that the valuable oils, which give Coffee its richness and flavor, are all retained. After roasting, a powerful air blast blows away the chaff, dust and inner shell.
