BINDING

What's the difference?

CCRATCH the name from the box-hide the imprint on the wrapper -and your Tuckett's Special Turkish and imported Turkish look like twins.

But there is a difference! Oh, yes, there is the little duty difference of 10 to 20 cents which the purchaser pays because he allows himself to be hypnotized by the glamor of the word "imported."

There is also another significant distinction. Every ounce of tobacco that goes into Tuckett's Turkish Cigarettes is selected from the small and choice leaves raised in the finest tobacco growing districts of Turkey. Every bale we buy must come up to the Tuckett standard before it is O.K.'d by the Tuckett buyers. Over fifty years' experience in buying and blending has taught us what that standard should be.

Luckett's Ciora

In flavor, fragrance, and luxurious appearance, Tuckett's Special Turkish Cigarettes afford you that full sense of keen enjoyment that obliterates all thought of price.
