The Popular Blue Serge Suits for Men Featured Today

Smartly Tailored of Dependable Materials and Moderately Priced at \$25.00, \$35.00 and \$43.50

One of the leading values for both men and young men is an all-wool blue serge cheviot finished suit, cut in the two-button, double-breasted, all-around belt style. Also three-button, singlebreasted conservative style with snug fitting collars, shapely lapels. Vest has five buttons, trousers finished plain or with cuffs. Young men's sizes, 34 to 39. Men's sizes, 36 to 44. Exceptional value, \$25.00.

Specially designed for the conservative man who prefers a plain yet smartly fitting suit is an all-wool soft finished blue cheviot suit, cut in the two-button, formfitting style, with hand-felled collars, long roll hand-padded peak lapel. These garments are lined with alpaca body linings, vests are high cut, trousers medium width with belt loops, side, watch and two hip pockets. Sizes 36 to 44. Today \$35.00.

The EATON brand, hand-tailored blue Serge Suits are particularly interesting. The material is a fine all-wool blue serge Saxony finish made from fine Botany yarns, a material that will not readily gloss or shine. They are cut in the semi-fitting and full fitting three-button styles, soft roll peak lapel, high waist effect with deep vent at back, good serviceable linings, five-button vests. Trousers finished plain or with cuff. Sizes 36 to 44. Splendid value at -Main Floor, Queen St.

### FEDERAL LAND LOSSES REGRETTED BY CRERAR

Montreal, Feb. 24 .- "I am not coninced that our policy of development in Canada, in the past, has been along the soundest lines," said the Hon. T. A. Crerar, in his address at the Ritzarlton, his subject being "Repatria-

We need new ideas, and ideals in our public life in Canada," said Mr. Crerar. "It had been planned under the original scheme of land settlement for returned soldiers to give to ment for returned soldiers to give to those desiring to take up farm work free land held by the Dominion government, but, on inquiry, it was found that owing to unwise political administration in the past, our patrimony had been dissipated, that land close to the markets could not be secured, and that free land was located in remote districts, far from railways or shipping points, therefore the question as to ways and means to question as to ways and means to secure areas having available trans-
