Peel Will Now Be Re-elected

Mr. Richard Blain of Brampton Gets the Unanimous Nomination as Standard-Bearer

FOR THE CONSERVATIVE PARTY.

Enthusiastic Convention Was Held Yesterday After Annual Meeting of Conservative Association.

Brampton, June 28.—(Special).—The Conservatives of Peel County, at their annual convention here to-day, unanimously nominated Mr. Richard Blain of this town as their standard-bearer in the forthcoming Dominion election. Mr. Blain has all along persistently declined the overtures that have been made to him to become the Conservative candidate, and it was only at the eleventh hour, when he became aware that he was the choice of every polling subdivision in the riding, that he allowed his name to go before the Convention. The consensus of opinion is that he is the only man available that can redeem the constituency, and every effort will be put forth to secure his election.

Mr. Blain is Well Known. Mr. Blain is a man not quite 40 years of age, possessed of any amount of energy, and has been a long-time resident of the county. He has been twice elected deputy town clerk of the town and warden of the county. Some years ago he was captain of the famous Excelsior lacrosse team, which brought so much fame to Brampton, and, as a defence player, he at that time had few equals. In social circles he is very popular, and since his boyhood has been a staunch Conservative, and has actively supported the party's candidate every time.

For many years he was president of the Conservative Association of the county, and a splendid, forceful speaker. If elected he will be a decided acquisition to the House, and Conservatives are a unit in declaring that he will carry the riding hands down. The support of the party has been pledged to him, and he enters the coming fight with every man in his favor—a united party and the strong desire for a change that is perceptibly manifesting itself throughout the constituency.

At the Annual Meeting. Prior to the opening of the election of officers of the County Association was held. President Thomas Robinson presided, and a splendid, forceful speaker.
