the arrest of H. P. Davies, vice-presi-Tire Co. of Toronto, doing business at 56 West King-street. The criminal Quebec Bank, the charge being that of obtaining money by false pretences. Civil proceedings have also been instituted at the instance of other banks. Mr. Davies resides in Rosedale, and inquiry at his house last night elicited the information that he had gone to Chicago' in the interest of the business, and would be back Saturday. The business of the American Tire Co. was established about two years ago by Mr. Davies, who, prior to that time, conducted an extensive bicycle salesroom and sporting goods house at 81 Yonge-street. He is well-known in sporting circles, and his present inancial difficulties and disappearance will cause a good deal of surprise.

An order was made at Osgoode Hall nearly two weeks ago for the liquidathe court to conduct the concern during the interim. Liabilities at that time, it is said, were placed at \$110,-000, but no statement of assets has yet been made public by the liquidator. It developed after Mr. Clarkson took charge that several local banks were heavily involved. 'The interested banks yesterday took civil M. Sparks of Ottawa, and the vicepresident and manager, Mr. Davies. Mr. Sparks to recover the value of two notes for \$20,000 and \$11,000, and

Mr. Wyndham, in replying, said that, already a great many illegal acts had been perpetrated in Ireland. He wished it to be understood that he, both personally and officially, was responsible for whatever repressive steps were taken by the government. He admitted the constitutional right of the people to assemble and proclaim their grievances, but where crime was about to be committed an assembly became unlawful and dt was the duty of the government to prevent it.
