vous system has been built up and I feel stronger to-day than I have for several years. I was also troubled with constipation and I can testifiy that your Belt has given me great relief, so much so that I have given up taking any medicine for relief of same. I am sixty-five years of age and I think your belt is an age renewer when worn according to directions. Respectfully yours, PHILIP RADMORE, 205 Pictoria Avenue, Ottawa, Ont. I know how skeptica' people are after paying hundreds of dollars to doctors without getting any benefit. and, knowing that any man would willingly pay for a cure when he gets it, I now offer any man a complete restoration to manly vigor and health before he pays a cent. There is no deception about this offer either in the making of it or carrying it out. All I ask is fair security that I will be paid when the work is done; this any honest man will be glad to give. I take all the chances -you take none. Isn't that fair & Do you want any better evidence of my confidence in my belt? Now, if you suffer, do not lay this aside and say you
