Suffered Terribly

For Four Days and Nights From

DIARRHOEA

Diarrhoea arises from many causes such as change of diet, change of water, change of climate, catching cold, the eating of unripe fruits or anything that will cause an excess of bile.

On the first sign of any looseness of the bowels it should not be neglected, but should be looked after immediately, for if not diarrhoea, dysentery or some other serious bowel complaint may ensue.

Miss Florence Harfield, 325 Laurier Avenue, Toronto, Ont., writes: "I was troubled with a violent attack of diarrhoea. I suffered terribly with it for four days and nights, and finally I became so weak I did not think I could stand it any longer. My sister advised me to try a bottle of Dr. Fowler's Expectorant. I did so, and after I had taken three doses I felt a whole lot relieved. I kept on taking it, and by the time I had taken six doses, the diarrhoea had completely stopped. It did not leave me constipated. I think it is a wonderful remedy, as it is so quick to act. I will recommend it to all my friends."

There are so many "curious" "Strawberry" preparations sold that you should see that the name, "Dr. Fowler's" is on every bottle you buy. Price 35c. Manufactured only by The T. Milburn Company, Limited, Toronto, Ont.

BOSTON BRVES STILL IN RACE FOR PENNANT

Stallings' Tribe May Yet Be in Time for Rush for Pennant.

Hope springs eternal in the baseball world as the Braves have given up their determination to win this year's pennant (via the cellar), even though they suffered the loss of their ace pitcher by unfortunate injury. The Braves were defeated by the Cardinals on July 21, the only time they have been defeated since they dropped both ends of their double-header with the Dodgers on the same day.

In 1914 the Braves emerged from last place on July 18 by winning a game from the Reds. This year it is impossible for the miracle men to repeat this performance, as they cannot possibly get to the proper starting point for Boston National pennant drive. But as the Braves won in 1914 by ten and a half games they could afford to delay their start up the ladder to the Nuts for the time being.

For three or four days longer and still repeat the great marvel. As it is they will have a margin of five or six games to work on, easily more than enough for a miracle.

But they must make the most of their opportunity.

GAMLE POSTPONED

Owing to the unavoidable absence of several of the Terrible Flier's best men, the game between them and the Richmond Street Nuts, otherwise the Free Press baseball team, is postponed until next week, the F. P. men having obviously intimated their willingness to play some time in the future.

The Terrible Fliers wish to thank the Nuts for their willingness to oblige, and to express their sincere and hearty appreciation of the sportsmanlike action of the Free Press team, but this in nowise softens the hearts of the Terrible Fliers as to the terrible slaughter that will take place when the game is pulled off.

However, the time when Kernel R. H. DeHart, Teddy Dodd, Quick & Co. will eat the gritty sands of bitter defeat is not far off. Merely one week. The Terribles respectfully beg that the Free Press Nuts will note this well.

Scores: R. H. E. Boston 3 0 0 0 0 0 0—1 4 2 Chicago 1 0 0 0 0 0 0—3 1 2 Boston 3 0 0 0 0 0 0—3 1 2 Chicago 1 0 0 0 0 0 0—3 1 2 Boston 3 0 0 0 0 0 0—3 1 2 Chicago 1 0 0 0 0 0 0—3 1 2

MT. CLEMENS MEET SHOWS PEP AT START

Fast Racing Marks Opening of Second Short Circuit Meeting.

MT. CLEMENS, Mich., July 30.—Nothing was lacking in opening of the second short circuit meeting here today. Every race went into extra heats. The time was very fast, and there was enough of a breeze to ward off suffocation.

In addition to the scene on the race track, the crowd witnessed a novelty of great frolics of burlesque which arose from nearby aviation field and spread through the air. Some of them somersaulted and performed antics that rival those of a hobnob prize when it "busts."

The 2 1/2 pace, worth \$1,000 was the feature of the card, and Willard Hay, favorite, never was a factor. Mussel Shell, the Toronto horse, won the race, but he was out in the stretch first time in 2:06 1-4 and repeated these tactics the second time. The third race, which was third when nearing the half, then went to a break. Theda Bara held to the lead, and won by half length from Canute. The first quarter in this was in 31 1-2 seconds.

The 5th race was out there until passed the three-quarter pole, then Mussel Shell scooted by and won handily in faster time than the previous heat. Mussel Shell won the same stake here in June.

The 2 1/2 pace was scarcely less interesting. Graustark trailed Birdie Welch to the stretch first time and won by neck from Baron Wood. Graustark raced in front in the second and lasted just long enough to beat Hattie McCluckey. May Direct snatched the lead. Graustark at the half in the third and held her advantage. May Direct was in front at the half in the fourth. Graustark cut her off on the third turn but she came around and won in eye-balling finish from Birdie Welch. May Direct led all the way in the fifth. The slowest race was the 6th, won by Peter, that looks to be about the best horse owned in the state.

EXETER TOURNAMENT SLATED FOR AUGUST 8

EXETER, July 30.—The seventh annual tournament of the Exeter Bowling Club will open here on August 8. Five events and ten prizes are listed. Rinks from all parts of the Free Press territory are expected to compete, and some of the best bowlers in this part of the country have promised to attend as judges.

HARVARD FRESHIES WILL PLAY FOOTBALL AS USUAL

Cambridge, Mass., July 30.—Although the Harvard varsity football schedule for the coming season has been canceled, the freshman team will play as usual.

Officials of the Harvard Athletic Association said today that it was expected there would be a greater interest in the freshman games this year and that probably most of them would be played in the stadium, instead of away from home, as has been the case with most of them in past years.
