SHIPS TRANSPORTING. MUNITIONS NOT TO GO INTO DANZIG

London, Aug. 18 .- A dispatch to the London Times from Danzig dated Monday, says it is reported that Sir Reginald T. Tower, high commissioner at Danzig under the League of Nations, has issued an order that no ships with munitions for Poland shall be permitted to enter Danzig.

Several French munition ships now are anchored outside Danzig. Mr. Tower, according to a report from the French ambassador to Poland, takes the attitude that he has not sufficient allied roops to preserve order if further mumitions are unloaded at Danzig.

Mr. Tower has asked the supreme council for new instructions, pending the arrival of which he will maintain his decision, but the council of ambassadors which is acting as the supreme council, does not meet again until early in September.

made to throw the C. F. O. support his way.

A Government candidate is being sought, and the name of E. A. Miller, lawyer of Aylmer, is mentioned in this connection. Nomination takes place August 30. Should a local man fail to take up the cudgels, Harold Mayne Daly, solicitor of Ottawa, has announced his intention of seeing that the Government is represented. Today it looks like a three-cornered fight in East Elgin, with the possibility that the U. F. O., which is very strong in the riding, and Liberals may be able to concentrate on a candidate and make the contest a straight one.
