### "WHITE PLAGUE" ALARMS. Newfoundland Taking Steps to Curb

ottawa, Aug. 24.—(Special.)—Advices from E. A. Arnaud, Canada's commercial agent in Newfoundland, indicate that the authorities are becoming genuinely alarmed at the spread of the white plague in the island colony.

Consumption is on the increase, as is shown by the statistics of the past few years.

The captain strode nervously back and forth in the corridor in front of and forth in the corridor in front of and forth in the corridor in front of the strong in the statistics, and the did not believe that the true motive for the shooting had yet come out.

Major Hains and one of the attorneys for the defence endeavored in vain to induce Capt. Hains to remove his uniform and to discuss the murder after he had returned to the jail.

The captain strode nervously back and forth in the corridor in front of and forth in the captain states and the did not believe that the true motive for the shooting had yet come out.

Major Hains and one of the attorneys for the shooting had yet come out.

Major Hains and one of the attorneys for the shooting had yet come out.

Steps Soot After Her Arrival

Not being used to the steep flight for the attorneys for the attorne

consumption in the colony. In 1902, 710 people succumbed to the disease and in 1906 933. It is estimated that two thousand people are idle every day of the year, involving an annual loss of nearly one ion dollars a year to the colony. Recently all the school teachers of the island were called together in conperts as the best methods to prevent the spread of the disease.

### FOR RAILWAY COMMISSION. Strang and Greenway Are Favorites From the West.

WINNIPEG, Aug. 24.—(Special.)-The Tribune says to-day:

"This is a case where an investigation is necessary into the affairs of the police department and administration of justice in this city.

"It is altogether discreditable and irregular for one of our citizens, if not two, to have been so treated, 'squeezed,' I called it before, as they have been in this matter. Of course it was not done with the consent of the police commissioners.

"There are several points I want to investigate further, whether, as Mr. Dewart claims, there was only a civil liability, how the books were kept, how the auditors were deceived, and if there was any trifling or erasures made in the bank

-MAGISTRATE DENISON.

"So far as Col. Denison's remarks apply to this matter, they appear me an officious, mischievous and ill-informed attempt to interfere with the exhibition board in the transaction of its business. Perhaps if he had taken the trouble to acquaint himself with the facts and the law he would never have fulminated.

"There was no attempt at stifling a prosecution, there was no duress, no process of 'squeezing' either Col. J. K. Leslie or Mrs. Leslie, but Mrs. Leslie's act was wholly made of her own free will, and it was a laudable act of a conscientious woman. "On the whole I have to re-port that the course pursued was and is the proper legal and reasonable course to have pursued."

## -CORPORATION COUNSEL FULLERTON.

J. H. McVety Makes Official An- Has Already Been Raised - Colony nouncement---The Situation at

Montreal--- Men Still Firm.

WINNIPEG, Aug. 24.—(Special.) appointed by Governor Hughes to "During the past week many articles take testimony and present his find-

to make any statement until they were in a position to speak authoritatively," said J. H. McVety to The World tonight.

"Arrangements have been made with the different organizations, whereby regular donations will be made, sufficient to maintain the men who are not entitled to regular benefits.

"The committee are confident that untimately victory will crown their efforts, and hope that something may be done to bring about a settlement before some terrible disaster occurs thru the lack of inspection of trains or lack of repairs to the locomotives.

"A story is being told here of a locomotive running away on a hill to the

WAS A DETERMINED CONTEST

WAS A DETERMINED CONTEST

determined the mayor as he was leaving church. Sunday evening.

"The committee, after some discussion over the matter, got an assurance from the Mayor of Westmount that pickets would not be molested for peaceful picketing, and would have the same liberties as permitted in the city. Canadian Associated Press Cable.

LONDON, Aug. 24.—Tommy Burns cables that he won only after the most determined contest he ever fought, and adds: "Am feeling good." Fifteen thousand watched the fight and 24,000 awaited the result outside.

Would not be molested for peaceful picketing, and would have the same liberties as permitted in the city. "The reports coming from Windsor Station of large numbers of men being engaged are exaggerated, and so far as stating that many of the strikers are being tired out, the idea is ridiculous, for all the men would have to do would be to walk up to the shops and go in."

In all the C.P.R. engaged

was announced from the shops that by a train on the spot where the thirty of the strikers had returned to Yonge-street viaduct should be France Keir Hardie is watching events, but

so far has taken no active interest in MURDER AT VANCOUVER.

# MILLION DOLLAR FUND

Has Already Been Raised—Colony
Will Try to Lighten Britain's
Burdens.

SYDNEY, N. S. W., Aug. 24.—The influence of the American fleet's visit to Australia is being felt in many ways.
The Sydney Herald, one of the foremost journals of the country, says to day that the cruise quickens the imagination of Australia, Canada and South Africa to the sense of their part in the sea power of the empire. A million dollar trust fund has already been created toward the beginning of an Australian navy.

Commenting upon the London reports that financiers have offered a loan of a hundred millions sterling for the royal in any increase, The Herald says: "This is undestrable, but it shows that the elasticity of the British financial system has been strained, and it is now necessary for Australia to lend a stronger hand to the empire's defence."
The public gives a good reception to such arguments because of the fear of trouble from Asiatic immigration. The examined and it is now necessary for Australia to lend a stronger hand to the empire's defence."
The public gives a good reception to such arguments because of the fear of trouble from Asiatic immigration. The examined and it is now and the beginned to overcowded Asiatic countries. The sentiment for a "white man's country" recently caused the deportation of the South Seablacks formerly imported into Queens land.
